

Dear Sirs

On behalf of the committee members of the Central Ealing Resident's Association (CERA) I write to give our wholehearted support for the Neighbourhood Plan. We have all read the Plan and submitted a lengthy letter commenting in detail on the draft Plan in the Summer. We now think that it is a very comprehensive document and contains a lot of sensible, practical policies. It provides many proposals for improving central Ealing and guidance for future new developments.

Regards

**Stuart Morley**

**Chairman of CERA**
