Ealing Council is looking to activate the space at Southall Square. The market will not be used as a profit-generating service for the Council, but a regeneration project that will help revitalise and improve the profile of the town centre. However, the Council will still look to generate an annual rent that will be reinvested back into the area.

1. Please fill in the below table to indicate the rent that you are prepared to pay.
2. The total figure for the combined years will be used to evaluate your submission.
3. The Council will not expect rent for the first two months
