Kingshill Avenue - Road Safety Improvements

Introduction

This consultation is seeking your views on proposed Highway and traffic calming improvements on Kingshill Avenue. The proposals aim to improve road safety and reduce vehicle speeds by installing raised speed tables along Kingshill Avenue. The existing Zebra crossing on Kingshill Avenue near the junction of Edward Road will also be raised to reduce vehicle speeds on the approach to the pedestrian crossing.

Background

As part of Ealing Council’s Neighbourhood 28 programme, funding has been secured to draw up proposals that will mitigate increased vehicular speeds along Kingshill Avenue. It is also noted that a number of vehicles use Kingshill Avenue to avoid the traffic along Uxbridge Road and Yeading Lane. These measures are being introduced to reduce the risk of accidents, especially involving vulnerable road users such as pedestrians and cyclists on Kingshill Avenue. It will encourage modal shift towards active travel by encouraging more journeys by walking and cycling.
**Kingshill Avenue Road Safety Improvements**

**Existing Issues**

Existing issues identified on Kingshill Avenue:

- Vehicle Speeding along Kingshill Avenue.
- Using Kingshill Avenue as a cut through to avoid the traffic along Uxbridge Road and Yeading Lane.

**Proposals**

In order to mitigate the above issues we have developed the following measures:

**Kingshill Avenue**

Install four speed tables to reduce the speed of vehicles along Kingshill Avenue. The location of the speed tables will ensure vehicle access to the properties are not affected. As Kingshill Avenue is a bus route, “Bus Friendly” speed tables are proposed.

**Kingshill Avenue near the junction of Edward Road**

Resurface the carriageway on the approach to the Zebra crossing and raise the crossing onto a speed table. This will ensure vehicle speeds are reduced on the approach to the crossing and will also make the Zebra crossing more conspicuous.

**Benefits of the Proposals**

- Reduce the vehicular speeds along Kingshill Avenue.
- Improved pedestrian crossing facilities.
- Discourage drivers from using Kingshill Avenue as a cut through route.
Please give us Your Views and Have Your Say

The council would like to know your views on the proposed measures. Please read this document carefully and consider the proposals.

Have Your Say by completing the online survey at:

www.ealing.gov.uk/consultations

The closing date for this consultation is:

6 July 2018

What Happens Next?

Your responses will be analysed and reported to your Ward Councillors. Taking into account the views of the residents and businesses expressed in the consultation, a decision will be taken regarding implementation of the scheme.

Further Information

If you require further information or assistance regarding this consultation, or do not have access to the internet and wish to request a paper questionnaire, please contact us in Highway Services:
