Dear enquirer

Business Development Manager

Job Reference: EJ008764

Many thanks so far for your interest in working with me at Ealing Music Service.

We are the lead organisation of the Music Education Hub for Ealing and, as such, we are by far the largest and growing provider of music services for children and young people in schools and the community. We are also one of, if not, the most diverse music services in the country, in terms of both service offer and workforce.

Our income comes from two sources: (1) DfE Music Education Hub Grant (c £473,000) and (2) Earned income (c £550,000) which we are looking to increase significantly.

We are looking to appoint an ambitious individual who is passionate about delivering outstanding music services for children and young people in one of the most exciting and diverse areas of London. If you are a strong business manager with significant experience of budget monitoring, can work effectively with school-based colleagues and have an ability to fundraise, we wish to hear from you.

To apply you will need to register at <https://www.ealing.gov.uk/jobs>, download the recruitment pack by using the Job Reference above and apply online. If, after having read the Role Profile thoroughly, you are seriously interested in this role and wish to discuss the role informally, please do not hesitate to call me on 07740 126204. Remember that the deadline to apply is Monday 9th July.

I look forward to reading your application.

Yours faithfully

Yogesh Dattani
Head of Ealing Music Service
