## Bollo Brook Open Space proposals

Ealing Council are seeking the views of residents and park users on a proposal to build a new park within Bollo Brook Open Space. This project is part of the wider South Acton development masterplan which include five new parks creating each with a specific theme. This particular park is aimed at fitness, health and wellbeing.

The new park will be designed so that it fits into the area visually and will contain a range of facilities and activities for all the community and catering for a wide range of age groups and abilities.

The document is divided into three sections:

1. Location.
2. Bollo Brook Open Space proposal.
- 3 Your views on the proposals.

All information gathered through this consultation will be treated as strictly confidential and will not be passed on to third parties. Ealing Council will use this information only to inform the improvement plans for Bollo Brook Open Space.
