Applying for Primary School

Starting Primary School

If your child was born between 1 September 2013 and 31 August 2014 s/he will start primary school in September 2018.

Co-ordinated Admissions System

Under the Co-ordinated Admissions System, all parents living in the borough of Ealing can apply for up to six different state maintained primary schools or academies in or outside the borough of Ealing. This is done online at www.eadmissions.org.uk or by completing a paper application.

Preferences need to be ranked in order of priority. This is important as we will offer the highest preference possible and withdraw your lower preferences.

Where a school is oversubscribed, its published admissions criteria will be used to decide the order in which applicants will be offered places. Schools will not see where they are ranked in your preference order and no school will see any other preference schools you have applied to.

Please note this system only applies to schools in the state maintained sector. If you are applying to private/independent schools you need to contact them and apply direct to the school.

All new schools proposed to open in 2018 will be outside the co-ordinated application process. Parents wishing to apply to those schools will need to contact the school direct and apply on the school's application form.

Parents are strongly advised to also apply for established primary schools through the co-ordinated system as there is no guarantee at this point that the new schools will open in 2018.

Deciding on your preferences

You are strongly advised to name your nearest non faith school as one of your preferences.

Make an informed choice

Before deciding on your preferences it is very important that you look at each school's admissions criteria in relation to your circumstances so that you are aware of the order in which places are allocated. Each year parents are disappointed because they apply to schools where they are a lower criteria or live outside of the distance to be offered a place i.e. distance from home to school is far greater than the last to be offered in the previous year or are in a lower criteria than the last to be offered.

Remember that some schools get many more applications than there are places available (see school statistics table on pages 10 & 11 or Ealing Schools), you need to consider very carefully whether you are likely to receive an offer based on your criteria/distance compared to that of the last child to be offered in the previous year.

The Admissions Staff are available to advise parents on making informed preferences. Contact the Admissions Team to make an appointment at Perceval House on **4, 5 or 6 December 2017 between 10am and 4pm**. OR Drop in on **7 December 2017**, Ealing Town Hall, Liz Cantell Room between 3:30pm and 6:30pm.

Infant to Junior Transfer Applying for a Year 3 place

If your child is in Year 2 and attends an infant school s/he will have to transfer to junior school in September 2018. You will need to apply before the closing date of 15 January 2018.

There are three junior schools in Ealing for which you may apply, Berrymede Junior School, Dormers Wells Junior School and Wood End Academy.

You can apply online at www.eadmissions.org.uk from 1 September 2017. If you wish to apply for a primary school after attending an infant school you will need to contact in-year admissions in June 2018 to apply for a place in Year 3 for September 2018.

Late applications

The closing date for receipt of all applications either paper or online is **15 January 2018** applications received after this date will be considered as late and will be dealt with after the offer date of 16 April 2018.

If your application is received after the closing date of 15 January 2018 you are greatly decreasing your chance of obtaining a place at your preferred school(s).

If you have returned an application between 16 January 2018 and 8 February 2018 and any of the below apply **you must contact the Admissions Team as your application may be considered on time:**

- You have recently moved.
- You have proof that your application was submitted on-time but has not been received by Schools Admissions before 15 January 2018.
- You have exceptional circumstances for lateness (e.g. where a single parent/carer had been ill and the illness prevented the application being made on time or the family has been dealing with the death of a close relative).

Moving address

If you move after submitting your application form but before the closing date, **15 January 2018** you must inform the Admissions Team or if applying online you can update your online application with your new address, up to the closing date.

If you move address after the closing date of 15 January and are offered a place in an Ealing School you will be entitled to retain that place if you wish.

If you move after the closing date but before 7 February 2018 you may update your address and make new on-time preferences. If you wish to use your new address and change your preference schools you will need to contact the Admissions Team. **Please note that you must be living in the property by 7 February 2018 for the new address and preferences to be considered.**

The last date for applications or changes to be entered onto the system is 7 February 2018 therefore no changes can be considered after this date until after the offer date of 16 April 2018.

How to apply

Applying online

If your child was born between 1 September 2013 and 31 August 2014 you can apply online for a reception place from 1 September 2017 to 15 January 2018. If it was agreed that you could delay entry for your child to September 2018 and their date of birth does not fall in the above range you will need to make a paper application.

How to apply online

Go to www.ealing.gov.uk/admissions for our 'step by step' guide on how to apply online. You will then be directed to www.eadmissions.org.uk to make your application.

First you will be asked to register with eadmissions, you will then be supplied via email with a username and a password to access your eadmissions account. Once these have been received you will be able to log in and complete your application.

Please keep your log in details safe as they will enable you to view and if necessary amend your application (up until the closing date) and to view the outcome on 16 April 2018.

If you change your email address after submitting your application you must update your eadmissions account with your new email address to ensure you receive your offer email.

When your application has been submitted you will be sent an email confirming your application details with a unique 16 digit application reference number that will look like the following: 307-2018-09-E-123456.

This unique reference number is your proof of having submitted an application, please keep it somewhere safe.

If you do not have an application reference number you have not completed the application.

To apply on paper you will need to contact the Admissions Team for an application form.

Completing your online or paper application

Parent/Carer details: Please enter details of the person with parental responsibility for the child. All correspondence will be sent to the address provided. If your address is different to the child's address you will need to provide a written explanation with the application.

Child's details: Please complete your child's name as it appears on their birth certificate. Do not use shortened names or nicknames.

Current school: If your child is in nursery please complete the details even if this is independent or outside the borough of Ealing.

Address: Please check that your address is within Ealing before completing a paper form, online applications will automatically be submitted to the home Local Authority.

The address used must be your permanent home address. Please do not provide a business address, child-minder's address, relative's address or any address other than your permanent home address.

Providing an incorrect or false address may result in your application being cancelled and any place offered on the basis of the address will be withdrawn.

Shared responsibility

Where the parents have shared responsibility and the child is residing with one parent for the majority of the time or on a permanent basis, the address of this parent must be used for the purposes of the application.

Where parents have shared responsibility and the child lives with each parent for half of the calendar year, the parents must come to an agreement as to whose address will be used for the application. This address will be used to process the child's application and can only be changed after the beginning of the academic year unless the address of the chosen parent changes during the admissions process. Proof of residency will be required.

In all other cases of personal or family arrangements the address of the parent will be taken as the main residence unless there is irrefutable evidence that the child lives elsewhere either full-time or for most of the year with an adult under arrangements which have been endorsed by a court.

Preferences: You may list up to 6 different state maintained primary schools or academies in or outside the borough of Ealing.

You should try and use all the preferences available to you. We strongly recommend that you choose your nearest non faith school as one of your preferences.

Consider the admissions arrangements of each of the schools you are applying to and, using the information about how places were offered in the past, consider how successful your application might be. You will find the statistics on page 10 & 11 which show how places were allocated at Ealing schools last year.

The order in which you list your preferences is very important. If more than one of your chosen schools is able to offer you a place you will receive an offer for the school you have placed higher in your preference order and will be withdrawn from the lower preference schools.

How to apply

Sibling claim: If your child has a sibling (brother or sister) attending the school you are applying to you must enter their name and date of birth on the form to be considered for sibling criteria (If there is more than one sibling attending the school please give details of the youngest child, not in the nursery). Siblings are generally defined for the purpose of school admission in Ealing as all blood, half, foster, step and adoptive brothers and sisters (not cousins), living at the same address on a permanent basis or for the majority of time in any calendar year.

Medical/Social claim: Exceptional medical/social circumstances will not be considered for Ealing community primary schools as this no longer forms part of the over-subscription criteria. Please see the admission criteria for the other school(s) you are applying to for details on exceptional medical/social criteria and supporting documents required. Please note that supporting documents should be sent directly to the school concerned.

Looked after/previously looked after claim: If you are completing your application for a child that is currently in the care of a local authority please complete the relevant section, giving the name of the local authority that the child is in the care of. You will need to attach to your application a letter from the child's social worker.

If your child was in the care of a local authority immediately prior to adoption or becoming subject to a residence, special guardianship, special educational or child arrangements order you will need to provide a copy of the order or proof of adoption and proof of your child's previous looked after status.

Child of UK service personnel (UK Armed Forces) and Crown Servants claim: If you are not living in Ealing but have a confirmed posting to the area, or if you are a crown servant returning from overseas you will be allocated a place in advance of arriving into the borough. Your application must be accompanied by an official letter that confirms a relocation date and a Unit postal address or quartering area address.

Supplementary Information Forms (SIF): If you are applying to faith schools, you will be required to complete an additional Supplementary Information Form (SIF). These can be obtained directly from the school and, for Ealing schools, are available on the Ealing Council website. The SIF must be completed in addition to your online or paper application and must be returned directly to the school before the closing date. **Please do not send these to Schools Admissions** as we will not take responsibility for the school receiving them before the closing date.

The closing date for receipt of all applications either paper or online is **15 January 2018**.

If you are applying on paper please submit your completed application form to your preferred Ealing primary school or hand it in directly to Perceval House.

Important: If you think your application form has been lost, you must be able to produce proof of receipt. Please do not post your application to the LA or school, hand deliver it to your preferred school or Perceval House.

What to expect after you have completed your application

Online applications will receive an automatic acknowledgement once the form is submitted, you will receive an email confirming your application details with your unique 16 digit application reference number.

There is no acknowledgement for paper applications. It is very important that you ask for a receipt if you are handing your form in or keep proof of postage.

Documentary Evidence Required

Please provide copies only, do not send original documents as they may not be returned.

Proof of date of birth

Proof of your child's date of birth needs to be provided with the application e.g. medical card, passport or short birth certificate.

Proof of address

We do not require proof of address with your application form. Ealing Council will check internal council databases in order to verify your address. Where it is not possible to verify your address or if you have recently moved we will advise you that proof is required. Please see page 57 for details.

Important:

Please note that provision of an incorrect home address or other false information is likely to lead to the withdrawal of an application or offer of a school place based on that information. If there is any doubt as to the validity of the address given the matter will be put in the hands of an investigator.

Post offer day guidance

This is what we will do

Provided that your application was received by the closing date: If you applied online you will receive an email during the evening of 16 April 2018 with the outcome of your application. If you made a paper application on 16 April 2018 we will send you a letter by first class post confirming the outcome of your application.

If we are unable to offer you a place at any of your preferred schools, we will offer you a place at the school closest to your home address that has a vacancy as far as practically possible. We strongly advise that you accept the school offered, until you have secured a place at an alternative school.

This is what you need to do

You must confirm whether you are accepting or declining the place that has been offered by 30 April 2018. If you have applied online you can simply log into your eadmissions account and accept or decline online. If you have applied on paper you will need to complete and return the reply slip enclosed with your offer letter. If you do not respond to your offer the place may be withdrawn and offered to another child.

Waiting lists

Your child will automatically be placed on the waiting list for any higher preference schools for which you did not receive an offer. If you wish to be placed on the waiting list for a lower preference school or a different school to those on your original application you will need to request this in writing after the 16 April 2018.

If you change address whilst waiting for a school place you must be living at the address before the new address can be taken into consideration and proof will be required, see page 57 for details.

Please be aware that any changes to your preferences after the offer date are unlikely to be successful as the majority of schools will have allocated all of their places. It is therefore extremely important that you list the schools you want in the correct order on your application form.

When vacancies arise, places will be allocated according to the over-subscription criteria. Vacancies will be offered to the pupil with the highest priority on the waiting list not on a "first come, first served" basis. The position of a pupil on the waiting list changes frequently and can move down as well as up if other pupils that have a higher priority have their names added to the waiting list.

Length of time on a waiting list does not give any priority. Places are offered from the waiting list if they become available.

The community schools in Ealing will hold a waiting list for all year groups, for one academic year after which the waiting list will cease. If parents wish for their child to continue on the waiting list after that academic year they will need to write and request this.

For own admission authority schools please check the individual schools admissions arrangements.

Late Offer Rounds

Ealing Council co-ordinates the offers for schools in Ealing until the end of August 2018. After the initial offer date of 16 April 2018 the following timetable will be followed:

Round	Closing date	Offer date
2	4 May 2018	10 May 2018
3	18 May 2018	24 May 2018
4	1 June 2018	7 June 2018
5	15 June 2018	21 June 2018
6	29 June 2018	5 July 2018

Between 7 July 2018 and 31 August 2018 offers will be made as and when vacancies become available.

Please note that during the late offer rounds any applications/information received after the closing date will not be considered until the following round of offers.

Deferred and delayed entry into reception

Deferred entry into reception

Parents are entitled to a full time school place in the September following their child's fourth birthday, however parents do not have to ensure their child receives full time education until the start of the term following their fifth birthday.

Parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age (the term after the child turns five) and not beyond the beginning of the final term of the school year.

Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

Parents wishing to defer entry need to apply by the closing date and when an offer is made inform the school that they want to defer entry or only attend part-time.

Delayed entry into reception

Parents of a summer born child (born between 01 April and 31 August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group to reception rather than year 1.

Before deciding to make a request for delayed entry, we would recommend that parents visit the schools they are thinking of applying for. The teachers will be able to explain the provision on offer to children in the reception class, how it is tailored to meet the needs of the youngest pupils and how the needs of these pupils will continue to be met as they move up through the school.

If you wish to make a request for delayed entry into reception you must make this request in writing to the admission authority of the school concerned. This should be made by the closing date of 15 January 2018.

For the community primary schools in Ealing you should address your request to 'The Head of Admissions' and send this with your supporting documents to Primary School Admissions, Ealing Council, Perceval House, 14-16 Uxbridge Road, W5 2HL.

For all other Ealing primary schools you should address your request to 'The Chair of the Governing Body' and send this with your supporting documents directly to the school(s) you have applied for. You will need to send your request to each school on your application form.

If you are applying to schools in other boroughs please contact the relevant local authority for information on how to make a request for delayed entry into reception in their borough. The telephone numbers of neighboring authorities can be found on page 62.

You will need to provide all of the reasons why you feel it is in your child's best interests to be placed outside of their normal age group. You should also provide any supporting evidence with your request i.e. school reports, medical reports, professional recommendations that you wish to be taken into consideration.

Admission authorities must make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned.

When informing a parent of the decision the admission authority must set out clearly the reasons for their decision.

Where an admission authority agrees to a parent's request for delayed entry into reception the application for the normal age group will be withdrawn and parents must make a new application as part of the main admissions round the following year.

Offers are made on the basis of the schools determined admission arrangements only, using the oversubscription criteria. The application will not be given lower or higher priority on the basis that the child is being admitted out of their normal age group.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Admission authorities must make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They must also take into account the views of the head teacher of the school concerned.

When informing a parent of the decision on the year group the child should be admitted to, the admission authority must set out clearly the reasons for their decision.

Where an admission authority agrees to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be applying during the main round admissions process the local authority and admission authority must process the application as part of the main admissions round, unless the parental request is made too late for this to be possible.

Offers are made on the basis of the schools determined admission arrangements only, using the oversubscription criteria. The application will not be given lower or higher priority on the basis that the child is being admitted out of their normal age group.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

If you wish to make an application for admission outside of your child's normal age group you must make this request in writing to the admission authority of the school concerned.

This should be made at the time of application or in the case of entry to reception before the closing date 15 January 2018.

You will need to provide all of the reasons why you feel it is in your child's best interests to be placed outside of their normal age group. You should also provide supporting evidence with your request i.e. school reports, medical reports, professional recommendations or any other documents that you wish to be taken into consideration.

For the community primary schools in Ealing you should address your request to 'The Head of Admissions' and send this with your supporting documents to Primary School Admissions, Ealing Council, Perceval House, 14-16 Uxbridge Road, W5 2HL.

For all other Ealing primary schools you should address your request to 'The Chair of the Governing Body' and send this with your supporting documents directly to the school(s) you have applied for. You will need to send your request to each school on your application form.

If you are applying to schools in other boroughs please contact the relevant local authority for information on how to make a request for admission outside of your child's normal age for schools in their borough. The telephone numbers of neighboring authorities can be found on page 62.

Early Years Education

15 HOURS FREE EARLY YEARS EDUCATION FOR CHILDREN AGED THREE AND FOUR

All Local Authorities fund part-time early education places for all three and four year olds (starting the term after their third birthday) in maintained nurseries, primary school nursery classes, nurseries within children's centres, childminders and at nurseries, pre-schools (playgroups) in the private, voluntary and independent sectors.

This entitlement for a free education place is for 15 hours a week, 38 weeks of the year (term-time). The 15 hours may be taken flexibly although the amount of flexibility a childcare provider may be able to offer varies. Parents/carers should contact the school or childcare provider directly to find out what is available.

30 HOURS FREE EARLY YEARS EDUCATION FOR CHILDREN AGED THREE AND FOUR

Ealing is supporting the development of a new government scheme that will offer additional childcare support for three and four-year-olds who meet specific criteria based on family income and working parents. Qualifying families will be offered an additional 15 hours free childcare per week (bringing the total to 30 hours entitlement), which may extend into school holidays.

This scheme aims to enable parents to extend their work hours to improve their circumstances and act as an incentive for parents to return to work.

15 HOURS FREE EARLY YEARS EDUCATION FOR CHILDREN AGED TWO

If you are on low income from work or from benefits – your two-year-old may be entitled to a free childcare place for 15 hours a week, 38 weeks of the year. Find out if you qualify by completing a quick online eligibility checker found at www.ealingfamiliesdirectory.org.uk Alternatively, call the FIS to do the check for you.

This prospectus outlines the maintained schools and indicates those which have nursery classes. For information on other childcare providers visit www.ealingfamiliesdirectory.org.uk where you can search your nearest Ofsted registered providers by using your postcode or contact:

Family Information Service (FIS)
020 8825 5588 (Mon-Fri, 9am to 5pm)

The FIS can also advise on other sources of childcare funding including Tax Credits.

ADMISSION TO NURSERY CLASSES WITHIN PRIMARY SCHOOLS
IMPORTANT: Please note that admission to a nursery class does not guarantee admission to the main school on the nursery class site. Nurseries including nursery classes within schools take children aged between three and up to five years old.

To register your interest for a nursery place within a school, you can complete an application form when your child is two-years-old. Details of each primary school (indicating which of these have a nursery class attached) are given on pages 16-56.

Admission to maintained nurseries and nursery classes within schools is based on residency within the London Borough of Ealing. Any remaining places may be offered to children living outside the borough in accordance with the admission criteria.

Children generally start nursery the September after their third birthday. If there are places still available after those children have been offered and accepted places, younger children will be considered and may start nursery when they are three.

You will be informed of the outcome of your application at the end of the Spring term.

ADMISSIONS CRITERIA FOR NURSERY CLASSES IN SCHOOLS:

1. Looked after children or children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangements order, or special guardianship order.
2. Children with a brother or sister who will be attending the main school (not the nursery class) at the time of admission.
3. Children with a brother or sister who will be attending the main school (not the nursery class) on the same site* (this refers only to Berrymede Infant and Junior schools) at the time of admission.
4. Brother and sister refers to all blood, half, foster, step and adoptive brothers and sisters (not cousins) who live at the same home and in the same family unit as the child on a permanent basis or for the majority of time in any calendar year. A sibling relationship does not apply when the older child(ren) will leave before the younger one starts.
5. The distance from home to school as measured by straight-line, from a point in the property to a point in the school determined by the grid references for the centre of the school's postcode.
6. If two or more children have equal priority under the criteria, the criterion of distance will then be applied. In the event that the distances are equal the Local Authority will draw lots to determine which applicant should be offered the place.

WAITING LISTS

Vacancies are filled from the waiting list using the admissions criteria. A vacancy is offered to the child with the highest priority on the waiting list. The position of a child on the waiting list can change when other children leave or join the waiting list.

Documentary evidence to be provided with the application form

You are required to provide a photocopy of your child's short birth certificate, passport or immigration papers as proof of his/her date of birth. This information is required when you return the reply slip accepting the offer of a nursery place.

You are required to provide ONE of the following as documentary evidence:

- Your current year's Council Tax bill
- Council rent book for the current year
- Tenancy Agreement from a registered private letting agency
- Letter from Social Services, National Asylum Support Service (NASS) or Housing Department confirming your address
- If moving home, a solicitor's letter confirming the date that contracts were exchanged and the proposed date of completion (no longer than six weeks after contracts are exchanged). On the date of completion applicants must take up residency at the new address.

If none of the above is available, a letter explaining the circumstance and two items of documentary evidence showing that you are living at the address can be used. Without this documentation we will be unable to process your application.

IMPORTANT

Provision of an incorrect home address or other false information is likely to lead to the withdrawal of an offer of a nursery place. If you change address after registering your child for a place in a nursery class, you should advise the school in writing immediately.

Admissions Criteria for Community Primary Schools

PLEASE NOTE: The admission criteria for nursery schools are the same criteria as that for community primary schools

IMPORTANT: Please note that admission to a nursery class does not guarantee admission to the main school on the nursery site.

The criteria listed in order of priority are:

1. Looked after children or children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangements order, or special guardianship order.

(NOTE definitions of looked after children or previously looked after children are detailed at the end of the criteria).

2. Children with a brother or sister who will be attending the main school (not the nursery class) at the time of admission*.
3. Children with a brother or sister who will be attending the main school (not the nursery class) on the same site* (this refers only to Berrymede Infant and Junior schools) at the time of admission.

NOTE

The words brother and sister refer to all blood, half, foster, step and adoptive brothers and sisters (not cousins) who live at the same home and in the same family unit as the child on a permanent basis or for the majority of time in any calendar year. A sibling relationship does not apply when the older child(ren) will leave before the younger one starts.

4. The distance from home to school as measured by straight-line, from a point in the property to a point in the school determined by the grid references for the centre of the school's postcode.

The measuring system is an integral part of the admission software produced by Synergy. It uses Ordnance Survey maps and the LLPG (Local Land Property Gazetteer) and is accurate to 2 metres.

It does not mean that we will be able to allocate a place at the school nearest to your address.

If two or more children have equal priority under the criteria, the criterion of distance will then be applied.

DEFINITION OF LOOKED AFTER AND PREVIOUSLY LOOKED AFTER CHILDREN

A "looked after child" is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after. A child arrangements order is defined in s8 of the Children Act 1989 as amended by s12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. A special guardianship order is defined by s14A of the Children Act 1989 as an order appointing one or more individuals to be a child's special guardian (or special guardians).

TIE BREAK

In the event that the distances are equal the Local Authority will draw lots to determine which applicant should be offered the place.

TWINS, TRIPLETS OR OTHER CHILDREN FROM MULTIPLE BIRTHS

The Local Authority does not give priority under its admission criteria for twins, triplets or other children from multiple births, however, the Local Authority will admit twins and children from multiple births when one of the siblings is the thirtieth child admitted.

CHILDREN OF NEWLY APPOINTED STAFF

After the published offer date, where there is a demonstrable skills shortage for a vacant post (independent evidence is required), the admission authority will place the children of a new appointee for the post in question, at the top of the waiting list for places at the school.

Admissions criteria

The below criteria has been summarised, for the full admissions policy and arrangements please visit the school website: www.alecreedacademy.co.uk

Where the number of applications is greater than the planned admission number, applications will be considered against the criteria set out below.

After the allocation of children with an EHC plan, the admission criteria will be applied in the following order of priority:

1. Looked after children and previously looked after children (previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order);
2. Confirmed special medical reason which necessitates attendance at Alec Reed Academy (a letter from a qualified medical practitioner is required as proof of such a reason);
3. Special personal circumstances relating to the child which necessitate attendance at Alec Reed Academy (supporting written evidence will be required from a professional e.g. social worker).
4. Brother or sister is still in attendance at Alec Reed Academy Primary or High School at the date of admission. This includes siblings living in the same household, step-siblings and adopted siblings, but does not apply to cousins;
5. Distance from home to the Academy, as measured by straight line from a point in the property determined by Ordnance Survey to the nearest gated entrance which is used by pupils to enter the Academy grounds.

Where the comparison and calculation of distance in e. above is the same for more than one application, any remaining places will be randomly allocated.

Admissions criteria	Offers made on national offer day
Criteria 1 to 5	All applicants offered

Waiting lists

Where in any year Alec Reed Academy receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application and, if wanted, an appeal for the school. The child will remain on the waiting list for one term. Children's position on the waiting list will be determined solely in accordance with the over-subscription criteria.

Where the number of applications is greater than the planned admission number, applications will be considered against the criteria set out below.

After the allocation of children with an EHC plan, the admission criteria will be applied in the following order of priority:

1. Looked After Children and Children who have been previously looked after (pursuant to the Admissions Code).
2. Children of staff at the school where there is a demonstrable skill shortage – Children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the Principal's designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
3. Children who at the time of the admission have a sibling who attends the academy. For this purpose "sibling" means a whole, half or step-brother or -sister or an adopted child resident at the same address.
4. Children of staff in the school – Where there is no demonstrable skill shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.
5. Distance measurement – A child's home will be the address at which the child normally resides and which has been notified to the academy and other relevant agencies as being the child's normal place of residence.

Ealing Council measures distance on behalf of Ark Schools, the method they adopt for measurement and also selection between equal applicants and those living in flats will apply.

Tie breaker

If Ark Schools is unable to distinguish between applicants using the published criteria, including those who live in blocks of flats with the same building entrance, places will be offered via a random draw which will be supervised by someone independent of the academy.

Multiple births or brothers and sisters in the same year group

Where there is only one place available in the academy, both will be considered together as one application.

Thereafter, parents/carers will be written to asking if they wish for their child to remain on the waiting list. This will be maintained by the academy and it will be open to any parent/carer to ask for his or her child's name to be placed on the waiting list following an unsuccessful application.

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. When places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

- the child is baptized
- at least one parent or guardian is a member of the electoral roll of the Parish
- at least one parent or guardian holds a recognized position of responsibility or involvement within the Church

Note C. A similar degree of commitment to other denominations is expected for applications falling under criteria 5 and 6.

Note E. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

- At least one parent has attended a meeting of the local religious community on a weekly basis for a minimum of two years
- At least one parent holds a position of responsibility or involvement within the local religious community

Exceptional need

In the case of identical distance, the offer will be made using random allocation which will take place in the presence of an independent witness.

Certificate of Catholic practice (CCP)

'Certificate of Catholic Practice' means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of the child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests <http://rcdow.org.uk/education/governors/admissions/>

NOTES

'Looked after child' has the same meaning as in Section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents).

'Adopted'. An adopted child is any child who has been formally adopted and whose parent/ guardian can give proof of legal adoption.

'Child arrangements order'. A child arrangements order is an order under the terms of the children Act 1989 s. 8 settling the arrangements to be as to the person with whom the child is to live. Children "looked after" immediately before the order is made qualify in this category.

'Special guardianship order'. A special guardianship order is an order under the terms of the Children Act 1989 s.14A which defines it as an order appointing one or more individuals to be a child's special guardians(s).

'Parent' means the adult or adults with legal responsibility for the child.

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a Certificate of Baptism in a Catholic church or a Certificate of Reception into the full communion of the Catholic Church.

'Practising Catholic' means a Catholic child from a practising Catholic family where weekly practice is verified by a certificate of Catholic practice from a Catholic Priest in the standard format laid down by the Diocese. 'Family' includes the Catholic or Catholics who have a legal responsibility for the child.

'Catechumen' means a child who is a member of the catechumenate of a Catholic Church. This will normally be evidenced by a Certificate of Reception into the Order of Catechumens.

'Eastern Christian Churches' includes Orthodox Churches, and is normally evidenced by a Certificate of Baptism or Reception from the authorities of that Church.

'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included

if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and of CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

'Distance from school' Distance from the child's permanent home address to the school is measured by Ealing Council. The distance is measured by a straight line from a point in the property determined by Ordnance Survey to the nearest gated entrance which is used by pupils to enter the school grounds.

For the purposes of this policy parish boundaries are shown on a map available from the school.

Age range: 3-11

Planned admission number at 4 years: 60

Admissions criteria

The below criteria has been summarised, for the full admissions policy and arrangements please visit the school website: www.kahlsaschool.co.uk

Where the number of applications is greater than the planned admission number, applications will be considered against the criteria set out below.

After the allocation of children with an EHC plan, the admission criteria will be applied in the following order of priority:

1. Looked After children (Children who are in Public Care as defined in section 22 of the 1989 Children's Act – this includes foster children).

The highest priority must be given to Looked After Children and previously Looked After Children. Previously Looked After Children, are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. Children of staff in the school who have been employed in the school for two or more years at the time of the application for admission is made. Priority will be limited to one place for each form of entry in any year.

After applications under criteria 1 and 2 have been allocated the remaining places will be offered as follows:

3. Sikh Faith. The governors will reserve 80% of the remaining places in Reception and Nursery for applicants practising the Sikh faith. This will entail children living with parents (single/both), legal guardians or carers demonstrating a deep commitment to the Sikh faith and who worship a minimum of four times a month at a Gurdwara. Evidence of this will need to be submitted within the Supplementary Information Form (SIF). A Head Granthi (Priest) and or another duly authorised person(s) of the Gurdwara would have to certify to the above. In the event of a short fall under this criterion, the remaining places will roll over to list criterion 3.

4. Other Faith. The governors will reserve the remaining 20% (up to 12 places in Reception and 10 places in Nursery) for applicants from other faiths other than Sikhs (e.g. Christian, Muslim, Hindu, Buddhist or Jewish etc.). Evidence of this will need to be submitted within the Supplementary Information Form (SIF). Attendance should be at a public place of worship e.g. – Church, Temple, Mosque, Synagogue on four times a month basis and be confirmed by a supportive reference from your religious leader (Minister of Religion)/duly authorised person as at 2 above for Sikhs.

In the event that these places are not taken up by the closing dates for applications, these places will be offered to Sikh applicants who worship a minimum of four times a month as in criterion 2 above and in the event of there being insufficient Sikh applicants the places will be offered to those in criterion 4.

5. Any surplus places not filled by any of the above criteria will be allocated to those children whose parents/legal guardians/carers have applied and live nearest to the school (as measured in a straight line from the child's home address to the main entrance of the school).

Within each criterion, priority will be given to:

- a. Children with at least one sibling in the school at the time of admission. The qualifying relationship is brother and sister, this means children sharing one or both common parents, step brother/sister, or legally adopted children, who live in the same household.
- b. Children living the shortest distance from the school will be given priority within each category. Distance is measured by straight line using the local authority measuring system from a point in the property to the main gate entrance which is used by pupils to enter the school grounds.

Khalsa Primary School

Children with brothers or sisters in Khalsa, 'siblings.'

Parents who are seeking a school place for a child because he/she has a brother or sister who is a pupil at Khalsa Primary School must claim priority by filling in the correct details as requested on the Local Authority Common Application Form (CAF) and the school's Supplementary Information Form (SIF).

It is the responsibility of the parent to bring the details of the sibling relationship to the attention of the Admissions Panel. If the sibling relationship is not claimed at the time of application it will seriously affect the possibility of your child gaining a place at the school.

Tie break

Where only one place is available and two or more addresses produce identical distance measurements, the name of the applicant will be randomly selected by the Local Authority's admissions system to allocate a place.

Multiple births

Where applications are received in respect of twins, triplets or children of other multiple births and the school is able to offer one child a place in accordance with the Admissions criteria, the school will offer a place to the other child (children) admitting above the published admission number where necessary.

How places were offered in 2017

Admissions criteria	Offers made on national offer day
Criteria 1, 2 & 4	All applicants offered
Criteria 3	Distance of last child to be offered: 1.019 of a mile

Waiting lists

A waiting list will be maintained by the Governing Body in the order of the over subscription criteria and not in the order in which applications are received. When a place becomes available the school will advise the Local Authority of the child who is top of the list so that the home Local Authority can inform the parent that an offer can be made on behalf of the Governing Body. The awarding of the place will depend on whether the vacant place is Sikh or Other Faith, and will be awarded to the child in the relevant age group who most closely matches Criteria 2 or 3 as assessed by the Supplementary Information Form (SIF).

Although we have your child's name on the waiting list, the position is subject to fairly frequent changes because waiting list positions must be determined in line with the Admissions Criteria as and when a vacancy is available. Every time we have a vacancy we will review all names on the waiting list. If a vacancy occurs the child with the highest ranking will gain the vacant place in that year group.

Multiple applications

Where the final place is offered to a child who has other siblings applying for a place in the same school year, these siblings will also be admitted.

It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also

St Joseph's Catholic Primary School

NOTES

'Looked after child' has the same meaning as in Section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them (e.g. children with foster parents at the time of making an application to the school).

'Adopted'. An adopted child is any child who has been formally adopted, having previously been in care and whose parent/guardian can give proof of this.

'Child arrangements order'. A child arrangements order is an order under the terms of the Children Act 1989 s.8 settling the arrangements to be made as to the person with whom the child is to live. Children 'looked after' immediately before the order is made qualify in this category.

'Special guardianship order'. A special guardianship order is an order under the terms of the Children Act 1989 s.14A appointing one or more individuals to be a child's special guardian(s). Children 'looked after' immediately before the order is made qualify in this category.

'Parent' means the adult or adults with legal responsibility for the child.

'Sibling' means brother or sister, to include adopted brothers and sisters, half brothers and sisters or step brothers and sisters. A sibling relationship does not apply when the older child(ren) will leave before the younger one starts.

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a Certificate of Baptism in a Catholic church or a Certificate of Reception into the full communion of the Catholic Church.

'Certificate of Catholic Practice' means a certificate given by the family's parish priest (or the priest in charge of the church where the family practises) in the form laid down by the Bishops' Conference of England and Wales.

'Catechumen' means a person who is a member of the catechumenate of a Catholic Church. This will normally be evidenced by a Certificate of Reception into the Order of Catechumens.

'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a Certificate of Baptism or Reception from the authorities of that Church.

'Children of other Christian denominations' means: children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by

common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and of CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

'Resident' A child is deemed to be resident at a particular address when he/she resides there for more than 50% of the school week.

'Distance from school' means distance as measured by a straight line, from the front door of the child's residential address (including flats) to a point at the school. If distances are identical, the Governing Body will draw lots in the presence of an independent witness.

For the purpose of this this policy parish boundaries are shown on a map available from the school.

Planned admission number at 4 years: 30

Admissions criteria

The below criteria has been summarised, for the full admissions policy and arrangements please visit the school website: www.stmarysschoolng.org.uk

Where the number of applications is greater than the planned admission number, applications will be considered against the criteria set out below.

After the allocation of children with an EHC plan, the admission criteria will be applied in the following order of priority:

1. Looked after children - Children in public care or children previously in public care, who ceased to be so because they were adopted, or became subject to a child arrangement or special guardianship order
2. Children with a sibling in school at the date of admission.

After these criteria are applied, the remaining places are divided in half and assigned as follows-

3. Up to 50% of the remaining places are designated as Foundation Places and allocated to practising Christian families
4. 50% are designated as Open places and are allocated by distance from home to the school

Within each criterion, where there is oversubscription, applicants are prioritised by distance. This is measured in a straight line from the applicant's permanent residence to the main gate of St Mary's Church of England Primary School, 26 Tentelow Lane, UB2 4LE.

Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

Foundation (Christian) places

To apply for a foundation (Christian) place, children should belong to a family who currently worship regularly (at least twice a month for a minimum period of 2 years) in an Anglican Church, a church forming part of "Churches Together in Britain and Ireland" or a member of the Evangelical Alliance. The only exception to this would be a family recently moved into the area and who are able to provide a letter from the minister of their previous church to confirm attendance.

Supplementary information form (SIF)

A SIF should be completed to support this application. A section of this will have to be completed by the minister or vicar at the place of worship. When completed, this should be sent to St Mary's Church of England Primary School, 26 Tentelow Lane, Norwood Green, UB2 4LE, by the closing date.

After the allocation of children with an EHC plan, the admission criteria will be applied in the following order of priority:

1. Catholic looked after children and Catholic children who have been adopted (or made subject to child arrangements order or special guardianship orders) immediately following having been looked after.
2. Baptised Catholic children with a Certificate of Catholic Practice who have a sibling in Years 1 to 6 inclusive at the time of admission.

4. Other Baptised Catholic children whose practice is supported by a Certificate of Catholic Practice.

6. Other looked after children and children who have been adopted (or made subject to child arrangements order or special guardianship orders) immediately following having been looked after.
7. Children of Catechumens and members of an Eastern Christian Church.
8. Christians of other Christian denomination whose application is supported by a letter confirming membership of the faith community.
9. Children of other faith whose application is supported by a letter confirming membership of the faith community.
10. Other applicants

Exceptional need

The Governing Body will give top priority, after the appropriate category of looked-after children, to an application where compelling evidence is provided at the time of application, from an appropriate professional such as a doctor, priest or social worker, of an exceptional social, medical, pastoral or other need of the child, which can only be met at this school.

Tie break

Where the offer of places to all applicants in any of the sub-categories listed above would still lead to oversubscription, the places up to the admission number will be offered to those living nearest to the school, as measured from a point in the property of the child's home to the main entrance of the school in a straight line. If all is equal, the Local Authority's admissions system will operate a random allocation. The Local Authority is responsible for measuring the distances.

Multiple applications

Where the final place is offered to a child who has other siblings applying for a place in the same school year, these siblings will also be admitted.

Supplementary information form (SIF)

You should complete the School's Supplementary Information Form (SIF). The information on the SIF enables the Governing Body to assess your application fully against the School's criteria in the event of oversubscription. Please return the SIF (in person or by post) to the school together with all other relevant paperwork required for your application. If you do not complete and return the SIF by the closing date, the Governing Body will be unable to consider your application fully.

Certificate of Catholic practice (CCP)

Applicants applying under oversubscription criteria 2, 3 and 4 should obtain a Certificate of Catholic Practice from the priest at the church where you normally worship. 'Certificate of Catholic Practice' means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of the child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests <http://rcdow.org.uk/education/governors/admissions/>

The distance from home to school is measured by a straight-line, from a point in the property to a point in the school determined by the grid references for the centre of the school's postcode, as calculated by the Ealing Local Authority. NOTES

Note 1. A parent/guardian is any person who has parental responsibility for or is the legal guardian of the child. Where our policy refers to parents/guardians attending church, it is sufficient for just one parent/guardian to attend. Family members include only parents/guardians, as defined above, and siblings.

Note 2. The Governors regard attendance at worship on a regular weekly basis as a sign of Church of England practice. A similar degree of commitment to other churches or faiths is expected. Less frequent attendance may be considered where supporting evidence is provided by a Minister or Religious Leader.

Note 3. The address provided on the Supplementary Information Form will be used for ranking purposes. Where a child spends part of a week with one parent and part with another, the address provided must be the address at which the child spends the majority of the week.

Note 4. Information concerning whether an applicant's address falls within one of the named parishes can be obtained by using the postcode search at www.achurchnearyou.com

Note 5. In all categories, if after applying the criteria, two or more children have equal priority, the child who lives nearest the school will be given priority. The distance from home to school is measured by a straight-line, from a point in the property to a point in the school determined by the grid references for the centre of the school's postcode, as calculated by the Ealing Local Authority [The measuring system is an integral part of the admission software produced by Tribal Technology Ltd. It uses Ordnance Survey maps and is accurate to 1 metre.]

Note 6. Tie Break - In the event of a tie we will operate a random allocation by drawing lots.

Note 7. It is the Parents or Guardians who are the applicants on behalf of the children.

Note 8. In the event of a child not being admitted there is a right of appeal to an Independent Admissions Appeal Panel. The school will give details if necessary.

PLEASE NOTE THAT INTERNAL COUNCIL CHECKS WILL BE MADE ON ALL APPLICANTS' CLAIMED ADDRESSES

False or misleading addresses

Ealing Council takes very seriously any attempt to obtain a school place by deception. If we find that a school place was obtained using a false or misleading address we will give serious consideration to withdrawing the offer, even after the child has started school. In deciding whether to withdraw the place, the length of time that the child has been at the school will be taken into account.

Temporary addresses used solely or mainly to obtain a place at a school (whilst still owning a property elsewhere) are not regarded as the permanent home address and will not be accepted. If a place is obtained by that means, the place will be withdrawn.

The Council uses our Audit and Investigation Service to investigate cases and if there is any doubt regarding the veracity of your claimed address you may be asked to provide additional information before your case is referred to this Service.

Proof of address - in-year admissions

You are required to submit documentary evidence of your home address when submitting your application form. This is your permanent address where you are living with your child at the time of application and the proof provided should be in the name of the applicant

You are not required to live within the borough to make an application; however you are expected to live within reasonable travelling distance so your child can attend school on time every day. Applications from abroad will not be made live and you will be expected to provide evidence of your child's arrival in the UK, such as your child's boarding pass, before this will be actioned.

Change of address

After your initial application, If you move address to or within the London Borough of Ealing **you must be living in the property before the new address can be used and you will be required to provide proof of your new permanent home address as above.** This is because in-year applicants are expected to start at the school quickly after any offer is made, as many schools and year groups are oversubscribed, and so places cannot be held open.

If you know someone who intends to or has used a false address to gain a school place, you can report this to the school admissions team confidentially by emailing mainroundadmissions@ealing.gov.uk or by calling admissions on 0208 825 6339/5511/5522. You do not need to give your name but please provide as much information as possible so that we can investigate the matter fully.

Appeal process

Appeal arrangements

You have the right under the School Standards and Framework Act 1998 (as amended by the Education Act 2002) to appeal to an independent appeal panel if your child has not been allocated a place at your preferred school(s). There is no right of appeal in respect of applications for nursery schools or classes.

Appeals in respect of Community schools in the London Borough of Ealing

You will receive a letter advising whether a place is to be offered at the school of your preference. If you decide to appeal, please contact the School Admissions Service for an appeal form. You should return the completed form by the date stated on it. An independent appeals panel, advised by an independent clerk, hears all appeals. Staff in the Committee Section, 5th Floor (NE3) Perceval House, 14-16 Uxbridge Road, Ealing W5 2HL will write to advise you of the date and time of the hearing and where it will be held. You can phone them on 020 8825 8292. You will be invited to attend the appeal and we strongly advise you to do so. If you have any questions regarding appeals please contact the Committee Section and not School Admissions. Parents should only appeal if they are able to take up the place immediately, as places will not be held open for a future admission date.

Guidance for Parents

Independent advice on how to appeal can be sought from

- ACE offer free advice via telephone: 03000115 142 Mon – Wed 10am to 1pm Term time only.

Appeals in respect of Community schools in other boroughs

Please contact the relevant Local Authority. The telephone numbers of neighbouring authorities are listed on page 62.

How to appeal for a place at an Academy, Voluntary-Aided or Foundation school

You will need to contact the school(s) for details of their arrangements and an appeal form as these schools manage their own appeals.

Powers of Appeal Panels

Appeals for Infant classes - Reception, Year 1 and Year 2 (class size 30)

Section 1 of the School Standards and Framework Act 1998 limits the size of an infant class (i.e. a class in which the majority of children will reach the age of 5, 6 or 7 during the school year) to 30 pupils with a single teacher. Admission authorities have a legal duty to comply with this requirement. Appeal panels can only uphold infant class size appeals where:

- a) The panel finds that the admission of additional children would not breach the infant class size limit
- b) The panel decides that the decision to refuse your child a place at your preferred school was not one which a reasonable authority would have made in the circumstances of your case. For the decision to be ‘unreasonable’ it must be completely ‘illogical’, ‘perverse’ or ‘beyond the range of responses open to a reasonable decision maker’

- c) Your child was clearly refused a place in error or as a result of admission arrangements which were contrary to the mandatory provisions in the School Admissions Code and the School Standards and Framework Act 1998. Your child would have been offered a place if the arrangements had complied or had been correctly and impartially applied.

Appeals for Infant classes - Reception, Year 1 and Year 2 (non class size 30), and all other Year groups

Appeals other than those against decisions made on the grounds of class size prejudice (the School Standards and Framework Act 1998 as amended by the Education Act 2002, limits infant classes to 30 pupils) must follow a two stage process. Where class size prejudice does not apply, it also remains the case that normal prejudice may. Although it is a matter for the appeal panel, and depending on the facts of each case, it is open to appeal panels to so find when it applies the two stage balancing process common to all appeals where class size prejudice does not apply.

First Stage: establishing the facts, at which the panel considers whether the school’s published admission arrangements:

- a) comply with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998.
- b) were correctly applied in the individual’s case, and decides whether “prejudice” to the efficient provision of education would arise were the child to be admitted.

Following the first stage if the appeal panel is not satisfied that there would be prejudice if the child were admitted to the school, where there is only a single appeal for the school the panel should allow the appeal. For multiple appeals for the same school, the appeal panel can only uphold the appeals if they decide that all the children who are the subject of the appeals could be admitted without prejudice to the school. If prejudice is proven for either a single or multiple appeals, the panel must move onto the second stage.

Second Stage: balancing the arguments: at which the panel exercises its discretion, balancing the degree of ‘prejudice’ caused to the school by the admission of an extra child against the prejudice caused to the child by not being admitted to their preferred school. The panel will consider both arguments and evidence in support of each before arriving at their decision.

Decision of the Appeal Panel

The decisions of admission appeal panels are binding on admission authorities and parents and can only be overturned by the courts.

Complaints to the Local Government Ombudsman

The Local Government Ombudsman can investigate written complaints about maladministration on the part of a panel that considered an appeal relating to a community, voluntary aided or foundation school. Complaints relating to academy appeals should be made to the Young Persons Learning Agency (YPLA). This is not a further right of appeal and must relate to issues such as the panel’s failure to follow correct procedures or act independently and fairly.

Judicial Review

Judicial review may be available where an independent appeal panel is wrong on a point of law. Any application for Judicial Review must be made within 3 months of receipt of a decision. Parents might wish to seek legal advice before pursuing this option.

Special Education Provision

All schools in Ealing are committed to ensuring the best outcomes for all children and young people, including those with Special Educational Needs and Disabilities (SEND). Ealing has an inclusive approach to education and expects all children and families to be made to feel welcome at their local school and be actively involved in decisions that affect them. Many children and young people may need some extra support at some time in their school life. In Ealing while nearly all children with SEND go to a mainstream education setting, a very small number of children will have special educational needs (SEN) that are long-term or a disability or medical condition that significantly affects their learning. It is important to identify children's special needs and make sure that they get the support that they need as soon as possible. All schools have SEN resources and expertise as well as access to professional development and training in specific areas of SEN.

Parents who believe their child may have special educational needs should seek advice and guidance from their child's teacher, nursery teacher /pre-school SENCO or Headteacher.

The LA and schools are guided by the Government's Special Educational Needs and Disability Code of Practice 0 to 25 years 2015:

www.gov.uk/government/publications/send-code-of-practice-0-to-25

Also available free of charge from the Department for Education, Publications Centre (Tel: 0845 602 2260).

Ealing provides high quality local provision to meet local needs and has a good range of SEN provision catering for a range of needs: cognition and learning; communication and interaction including autism; physical and sensory needs. This includes additionally resourced provisions (ARPs) in mainstream schools that cater for a range of needs and provide opportunities for young people to be included in mainstream classes and activities as well as having access to specialist teaching and learning facilities in smaller groups for parts of the week. For entry to ARPs children are expected to show some potential for being able to integrate into mainstream activities, which is likely to be on a phased basis. Starting with small amounts of time and building up over the course of their education. There are also four special schools that cater for children of primary school age with more complex and longer term special educational needs. The vast majority of parents and carers and young people have indicated that they would prefer a local provision and the LA expects that out of borough provision should only be required in exceptional circumstances.

Children and young people with Education, Health and Care Plans (EHCP)

Children and young people with Education Health and Care Plans (previously Statement of SEN) that name a school in the Plan are required to be admitted to the school that is named. If your child has an EHCP the LA Special Education Needs Assessment Service (SENAS) will coordinate the admission of your child into school.

The local offer (www.ealing.gov.uk/send) provides more information about provision in the local area for special educational needs and disabilities including a links to independent schools approved by the Secretary of State for Children, Schools and Families.

In-year Admissions

In-Year admissions refers to all admissions for a school place, for all pupils of year Reception to Year 6, after 1st September 2018, the date of the main intake into Reception

Children of Year Reception to Year 6 age

In-Year applications are made online but the system and forms are different from the Main Round. Applications can be made at any time of year and allocations are made weekly during term time.

To apply for an in-year primary school place for Ealing schools only please complete the online form at:
<http://www.ealing.gov.uk/inyearadmissions>

You can name up to 3 schools co-ordinating with the Local Authority, and need to attach the appropriate documentation. You can include siblings on your application. If you are applying for a Voluntary-Aided (faith) school/s you must also complete the appropriate Supplementary Information Form/s (which are available from the Ealing website or from the school) and must be returned to the faith school/s direct.

The Local Authority co-ordinates the admissions for most schools in the authority but the most up to date information will show on the website.

Please read other information including the admission criteria to understand how the waiting lists are put in order. Your child must be available to start school immediately when an offer is made.

If your child does not have a school place you should include in your list of preference schools, at least one school which has vacancies as shown in the vacancy list online.

When you submit your in-year application, you will receive an autoreply with a reference number which you are advised to keep. Where possible you will be offered a place at one of your preferred schools when a vacancy arises and your child is top of the waiting list. For children without a school place, after several weeks, an offer at the nearest school with a vacancy will be made.

Please note: your child should remain on the roll of his/her current school and is required to attend there until admitted to another school to avoid any gap in his/her education.

Contact us: email: in-yearadmissions@ealing.gov.uk;
phone: 020 8825 6339 between 9.00am and 12.00pm, Mon-Fri

If you want a place in a school in another Local Authority please check the website for the Local Authority where the school is located to find out how to apply as arrangements vary between authorities.

Fair Access Protocol: Each local authority has a Fair Access Protocol. All the maintained schools and the Academy participate in the protocol in order to ensure that unplaced children, who live in the home local authority, are offered a place at a suitable school as quickly as possible. This is in effect a safety net used when the normal procedures for in-year admission have not led to an offer. The Protocol can be found on the website.

Training days

The above schedule sets out 195 days in total, providing a framework for schools from which five days should be selected as training days for teachers, set by headteachers in consultation with their staff.

Occasional days

The schedule also allows for the 3 occasional days holiday for pupils and staff to be set in consultation with each school's governing body. In considering the dates of these 3 days, governing bodies should take account of the need to observe religious festivals other than Christmas and Easter. These should also be taken from within the 195 days specified in the schedule. Should the occasional days not be required for religious festivals it is recommended that they be used at the end of the Summer Term 2019.

Please note that the total number of working days for teachers is 195 and for pupils is 190.
