

YEAR 7 SEPTEMBER 2021 START GUIDANCE NOTES AND APPEAL FORM

If your child has not been offered a place at your preferred school, you can appeal to an Independent Appeal Panel. You should read these guidance notes if you are appealing for a Year 7 place to start in September 2021.

School places in Ealing are very limited and places are allocated according to the admissions criteria. We strongly recommend if you have been offered a place at an alternative school, that you accept the place that you have been offered whilst you await the outcome of your appeal.

If you are the parent of a child with a statement of Special Educational Needs and wish to appeal against the school named in the statement, or the fact that no school has been named, such appeals are considered by a Special Educational Needs and Disability Tribunal. Please call the SEN Helpline on 01325 289 350 or Email: sendistquiries@hmcts.gsi.gov.uk for further information.

In Ealing and across London it is **not** exceptional for siblings to attend different schools

If you would like to appeal you should complete the attached Appeal Form and return it to the Committee Section by **Friday 2 April 2021**. It is important that you return the form to the Committee Section as soon as possible so that your appeal will not be delayed. Please note all appeals received on time will be heard by **Monday 21 June 2021**.

PLEASE NOTE

- **The child's parent or guardian must complete and sign the form.**
- **You must complete a separate form for each school you are appealing for.**
- **If you wish to appeal for any school in Ealing not listed in Appendix 1, you must appeal directly to that school.**

HOW TO FILL IN THE APPEAL FORM

Sections 1 and 2

1. Fill in the box with the name of the school you want to appeal for. Please note that you must have applied to this school, and that you can only appeal for the schools listed on page 4, Appendix 1. If you wish to appeal for a school not listed on page 4, Appendix 1, you will need to contact the school directly.
2. Enter the name of the school you have been offered. Please state 'None' if you have not been offered a place.

Section 3 - Fill in your child's name, address, date of birth and gender. It is important that we have all this information.

Section 4 - Fill in your name, address (if different from your child's) and your daytime and evening telephone contact number, and your email address

Section 5 - At the appeal

1. If you wish to attend the appeal, please tick the 'Personal Appeal' box and give details of any dates and times when you will **not** be able to come. We will try to avoid any dates you give, but if you are one of a number of people appealing for the same school it may not be possible. You do not have to attend the appeal but **it is better if you can** as the Appeal Panel may have questions that only you can answer and you will be able to explain your case personally, and answer any questions from the Appeal Panel. Please note that if you ask for "Personal Appeal" but are late or fail to attend the meeting, your appeal will be considered on the basis of the written information you have submitted.
2. If you do **not** want to come to the appeal, you can send a representative to present your case for you. If a representative is attending to present your case or accompany you, please tick the relevant box and fill in their name and address so we can send them a copy of the appeal papers. Your representative can be a friend, a locally elected politician or an employee of the local education authority such as an educational social worker, SEN Adviser or learning mentor, provided it does not lead to a conflict of interest.
3. If you decide not to attend, nor to send a representative, please tick the 'Written Appeal' box. This means that the Appeal Panel will use the written information you have provided, along with information from the Admission Authority, to decide your case. However, you should note that the Admission Authority may still send someone to present its case even though you will not be there.

Section 6 - Written Statement

- You **must** complete this section even if you are coming to the appeal.
- You should give all the reasons why you want your child to go to your preferred school and not to the school they have been offered.
- If you have any supporting evidence, you should send a copy to us with the form. If you need more space, you can attach additional pages to the form. Medical information relating to your child should be from a consultant or specialist, not a GP, and must detail the medical reasons why the child should attend the preferred school rather than the allocated school.

More information about Section 6

The Appeal Panel will consider the Admission Authority's reasons for refusing your child a place and your reasons for appealing against their decision. The Appeal Panel will initially decide whether the school's admission arrangements are lawful and were correctly applied and if the admission of an additional child would cause prejudice. If the panel are satisfied that the arrangements are lawful and there has not been any error that led to a place being denied, they will proceed to considering whether the benefit to your child of going to your preferred school outweighs the prejudicial effect that admitting one more pupil will have on the school and the other children in the class

Question 7 - Sign and date the form

The child's parent or guardian must sign the form.

You must email the completed Appeal Form to:

Schooladmissionappeals@ealing.gov.uk

If you have any difficulty returning the form by email please contact school appeals on:- 0208 825 8292

It is important that you return the form to the Committee Section as soon as possible so that your appeal will not be delayed. Please note that all on time appeals received will be heard by **Monday 21 June 2021**.
