### Details of claim (continued)

1. The Claimant, the London Borough of Ealing seeks an interim and final injunction pursuant to section 222 of the Local Government Act 1972, section 187B of the Town and Country Planning Act 1990 and section 130 Highways Act 1980.
2. The Claimant owns and / or is responsible for the management of the Parks, Sports Fields, Leisure Areas, Agricultural Land, Woodland Areas and Open Spaces ("the Green Spaces" ) in the Borough. In addition the Claimant owns and is responsible for the Housing Estates, Car Parks and Leisure Facilities.
3. In total there are 182 Green Spaces needing protection. There are 124 Housing Estates. In addition there are 33 Leisure Facilities and Car Parks. The Green Spaces are identified by a number on Map 1 and listed on Schedule 1. The Housing Estates are identified by a number on Map 2 and listed on the Schedule at Map 2, whilst the Car Parks and Leisure Facilities are identified on Map 3 and listed on Schedule 3.
4. As explained in the witness statement of Paul Murphy produced on behalf of the Claimant, there have been numerous incidents of unauthorised encampments and the depositing of waste, including the fly-tipping of commercial waste in the Borough resulting in considerable inconvenience and expense. The Borough fears further unauthorised encampments on the locations within Ealing by Persons Unknown Occupying Land and Persons Unknown Depositing Waste or Fly-tipping on Land.
5. These unauthorised encampments include large groups of Travellers with up to 30-50 people and 20-30 vehicles, mobile homes and caravans. There are also a number of dogs;
6. The unauthorised encampments have been established on the locations, all of which belong to the Claimant. In addition other land in the Borough owned by private landowners and businesses have been affected.
7. The witness statement provided by the Claimant demonstrates the disruptive and harmful impact of these unauthorised encampments as well as the health and safety concerns they raise. The harm this could cause to the residents of Ealing, among other members of the public is significant. The health risks to the residents include:
  - (1) human and animal excrement left in the Green Spaces from those establishing the encampments;
  - (2) domestic waste strewn over the land;
  - (3) fire hazards caused by the use of propane gas cylinders in public spaces;
  - (4) fly-tipping domestic and industrial scale waste, including building materials, glass, asbestos, rubble and soil;
  - (5) driving of vehicles over and across Parks, Recreational Areas, Woodland Areas.
8. The unauthorised encampments cause considerable disruption to the residents and visitors of Ealing.
9. The fly-tipping causes considerable distress and anxiety and results in recreational facilities being un-usable.
10. Further considerable expense is incurred in the cleaning up operations including the removal of untreated human excrement, domestic litter, general waste, gas cylinders and building waste, including hard core and soil;
11. The unauthorised encampments also cause considerable expense to be incurred in restoring the sites to a fit, hygienic and safe level for usage by the public. Further costs are incurred in attempting to secure the sites owned by the Claimant.
12. Since May 2018, unknown persons have formed at least 54 encampments on the Claimant's land within the Borough.
13. To date, the Claimant and the police have been dealing with repeated encampments through the procedures available under Sections 61, 77 and 78 of the Criminal Justice and Public Order Act 1994. These are reactionary steps addressing the problem after the encampments have been established and after the fly-tipping damage has taken place.
14. As demonstrated by the evidence filed in support of this Claim, these procedures have not acted as a significant enough deterrent and it is not uncommon that immediately following the clearance of an unauthorised encampment, another one is set-up. On some occasions the unlawful occupiers have returned to a Green Space or Car Park that has been the subject of earlier clearance and removal.

15. Accordingly, for the reasons set out in the witness statement in support of this Claim, it is necessary and expedient for the promotion and / or protection of the interest of the residents of Ealing and to prevent nuisance and trespass and further breaches of planning control to seek an injunction in the terms of the draft Order attached to this Claim.
16. An injunction will prevent the repeated establishment of unauthorised encampments and the disruption and loss of resources caused by this type of unlawful action.
17. It is necessary to bring these proceedings against (1) Persons Unknown Occupying Land and (2) Persons Unknown Depositing Waste or Fly-tipping on Land as the identity of the unlawful occupiers is uncertain and in any event such names as are given are often found to be false names.
18. The proposed Order is intended to prevent any future unauthorised encampments on the Green Spaces, Leisure Facilities and Car Parks being established by the (1) Persons Unknown Occupying Land and (2) Persons Unknown Depositing Waste or Fly-tipping on Land.
19. The draft Order against (1) Persons Unknown Occupying Land and (2) Persons Unknown Depositing Waste or Fly-tipping on Land has confined the scope of the order to specifically identifiable sites within Ealing as identified on the attached Maps.
