Application to Vary:
Selective Licence

This form must be completed to apply to vary an existing selective licence, or to notify the local authority of a change of information for a selective licence application that is still in progress.

If you have more than one selective licence you will need to complete a separate variation application form for each property.

Please be advised that a variation cannot be granted for a change of owner as selective licences are non-transferable; in these circumstances the local authority would require a new complete selective licence application form to be submitted with all required documents and full application fee.

Notes
You must ensure that you provide all required information about the nature of the variation, and any relevant changes in circumstances.

Submission of this form will be taken as the agreement of the licence holder to the variation being requested in accordance with the Housing Act 2004, Schedule 5 (17).

If the local authority agrees to the variation, a decision will be issued taking effect on the appropriate date, and no prior notice or appeal period will be given.

Fees
There is no fee for a variation to your selective licence.

Please complete this form using BLOCK CAPITALS and black ink. If this form is not fully completed - it will not be processed.
