

Conditions for Pavement Licence

1. The pavement licence will be valid until 30th September 2021 and must be displayed on the premises with a plan on the agreed layout of the pavement
2. A copy of the business's On Licence must accompany the application. Any application that does not include the On Licence will not be processed under the fast-track scheme and will take longer than 14 days
3. Applications for fast-track pavement licences are made for use between the hours of 6am and 11pm (with all materials being removed by 11pm)
4. The proposed area for tables and chairs must give enough space to allow people to pass whilst keeping the appropriate social distances: 2 metres on high streets and city centres, 1.5 metres on other streets
5. Furniture may be placed in front of the neighbouring premises with the written permission of the owner of said property
6. The pavement licence will not be allowed in any location where the pavement has been temporarily widened to allow for social distancing
7. Apart from the furniture agreed by the Council, no other items may be used on the highway as part of the licence without first seeking the written permission of the Council. Amplifiers, umbrellas, and gas-powered heaters must not be used.
8. A pavement licence does not imply any exclusive right to the area of public highway. The licence holder must be aware that London Borough of Ealing and others (e.g. police, highways authority, utilities companies, statutory undertakers) may need access at various times (including emergencies) for maintenance etc. or any other reasonable cause. This may mean that you will need to cease operation of the pavement licence for a period. On these occasions there would be no compensation for loss of business.
9. The licence holder is required to have Public Liability Insurance for the operation of the Pavement Licence. This must indemnify The London Borough of Ealing against all claims for injury, damage or loss to users of the public highway, arising from the use of the highway for the permitted purpose. The minimum level of indemnity must be £5 million in respect of any one incident.
10. The licence holder must make arrangements to ensure all detritus (food and drink remnants, spillages, bottles, cans, wrappers, etc) be regularly removed

from the footway surface caused by persons frequenting the licensed premises, and where necessary, wash down the pavement licensed area using a method sufficient to remove food debris, grease and other spillages that may occur.

11. The licence holder is not permitted to make any fixtures, or excavations of any kind, to the surface of the highway without prior written approval. Any costs incurred as a result of damage to the highway, due to the positioning of tables and chairs etc, will be recovered in full of the licence holder by the Council.
12. The Licensee of a premises not licensed under the Licensing Act 2003, must not allow the consumption of alcoholic liquor within licensed area. Additionally, the Licensee of a premises licensed under the Licensing Act 2003, must not allow the consumption of alcoholic liquor within the pavement licence outside the hours in force for the premises itself.
13. The licensee is responsible for ensuring that the conditions of the licence and any other necessary permissions and regulations are adhered to. The Licence holder is to use the highway solely for the purpose of the licence in line with the provisions of this licence and for no other purpose whatsoever.
14. The Council reserves the right to revoke this licence at any time if any of the above conditions are not fulfilled and maintained.
15. The Council reserves the right to alter or amend these conditions at any time.
