

## **LIVING IN A HOUSE SHARE OR BEDSIT?**

### **BE EXTRA CAREFUL AS YOU ARE MORE AT RISK FROM COVID**

**There is a new strain of COVID-19 which spreads even faster**

**The number of cases is worryingly high in London**

**Around 1 in 3 people with COVID-19 don't have symptoms, but can still pass it on**

---

### **IT'S REALLY IMPORTANT THAT YOU KEEP FOLLOWING PUBLIC HEALTH ADVICE TO KEEP YOURSELF AND OTHERS SAFE**

- If you have symptoms, do not use shared facilities at the same time as other people
- Do not invite visitors into your home
- Wash your hands regularly
- Clean the bathroom and kitchen with household cleaning products more frequently
- Clean things people touch the most such as taps, tables, door handles, light switches and remote controls
- Open windows regularly

---

### **GOT SYMPTOMS?**

Book a test at a local testing centre and self-isolate along with your household
