

Dear Sir / Madam

I write with regard to the comments we submitted on behalf of the Metropolitan Police Authority with regard to the Council's draft SCI. Having reviewed the Council's response the MPA are delighted that they have been added to the list of Consultation Bodies at Appendix 1. Furthermore it is noted that their consultation requirements for 'significant' planning applications have been forwarded on to the Council's Development Control Team for inclusion on their consultee register. Please can you advise who is responsible for this register to enable us to confirm this has been put in place ?

Having regard to the Council's positive responses to our representations at the draft stage no further comments are required in relation to the Submission version of the SCI.

Many thanks
