Subject: Statements of community involvement

Dear Mr Biltcliffe and Ms Longworth  
Havant and Ealing Borough Councils recently sent documents to the  
Disabled Persons Transport Advisory Committee (DPTAC).  
These related to statements of community involvement, or other planning  
matters.  
DPTAC no longer has a built environment remit so please do not send  
these documents to DPTAC in the future.  
If you are not already doing so, then such material ought to be sent to  
Anna Hamilos at the Commission for Architecture and the Built  
Environment, to whom I have copied this mail, rather than to DPTAC and  
marked for the attention of the Inclusive Environment Group.  
Please feel free to continue to send us documents and other material  
when it is directly related to the transport needs of disabled people.  
Yours faithfully  
Andy Kirby  
DPTAC Secretary
