Rectory Park Play area

Proposals

**Do it
Online**

Ealing Council are seeking the views of residents and park users on a proposal for improvements to Rectory Park Play area.

Ideas for this park include a redesigned more compact layout and exciting new play equipment for all ages and abilities. We will ensure that the design is sympathetic to the area and a range of materials will be used to blend the area into its surroundings.

The council would like to hear your views on this park.
Please see some initial ideas on the back of this leaflet.

Rectory Park Play area concept plan

As part of the improvements we would like to redesign the layout of the current Rectory Park play area to create a more compact and safer play zone for all ages. As part of these works we also want to add in new and updated equipment and would like to consult local residents on how they use the current play area and the type of equipment they would like to see within the updated space.
