

George Street & Wilmot Place CPZ - Zone GS1

This map illustrates the roads that lie within the zones and should not be read as an indication that all residents who live within the zone are entitled to a permit or vouchers. Please refer to the CPZ 'Eligible Address List' for this zone (in the main CPZ directory) for permit or voucher entitlements.

Some properties that are shown in the map lie within a 'Low Car Housing Scheme' development, as defined by the Council's Planning Policy (UDP policy 9.8 and SPD 3). If a property is part of a 'Low Car Housing Scheme', there is either off-street parking or not enough to accommodate all the units that lie within the development.

The Council decided to allow the development to go ahead on the basis that they enter into an agreement that no occupant of the development or their visitors, would be entitled to apply for permits for the Controlled Parking Zone within which the development is located, thus ensuring that there would be increase in demand for on street parking. The 'Low Car Housing Scheme' takes precedence over any entitlement to a parking permit or voucher
