≡ Fact text

Bike hangars provide secure residential cycle parking. The map on the next screen shows existing bike hangar locations and we are asking you to show us where you would like to see more bike hangars.

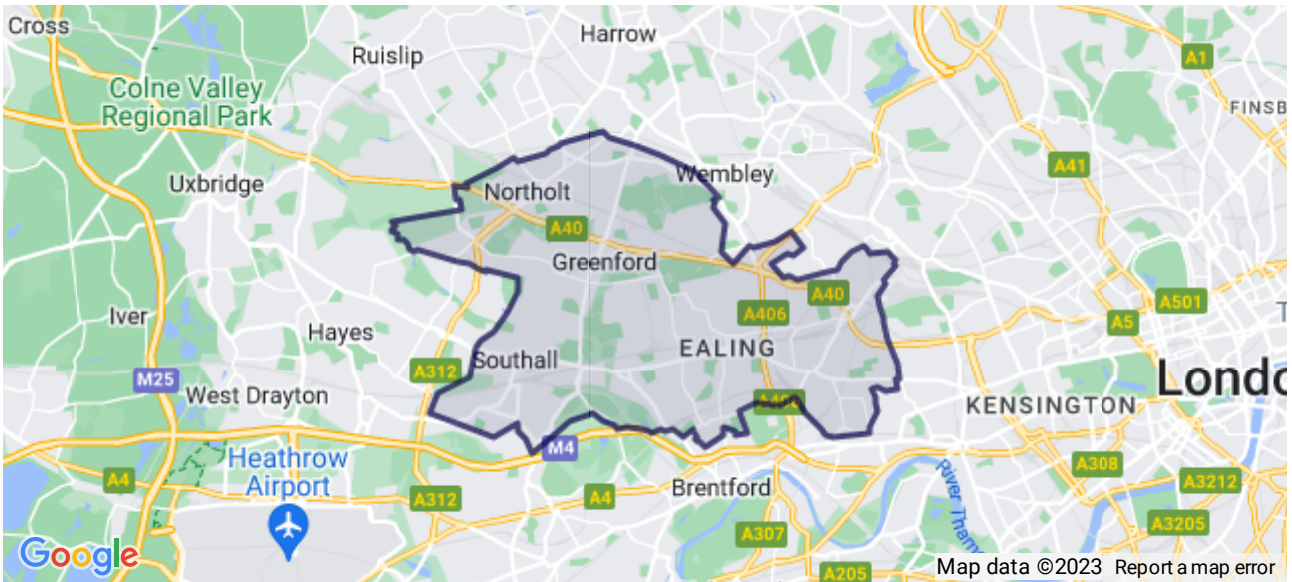

Zoom in/out on the map as needed and drag the bicycle icon to the desired location/s. You can drop up to 5 icons.

Leave feedback to describe the chosen location/s and say if it is near your home.

≡ Fact text

Our proposed criteria for choosing bike hangar locations are:

- Volume of requests from residents
- Ability to park your bike near home where access to a garage or back garden shed is limited
- Number of bike thefts in the area
- Wider community support for bike hangars
- Distribution of bike hangars in the borough

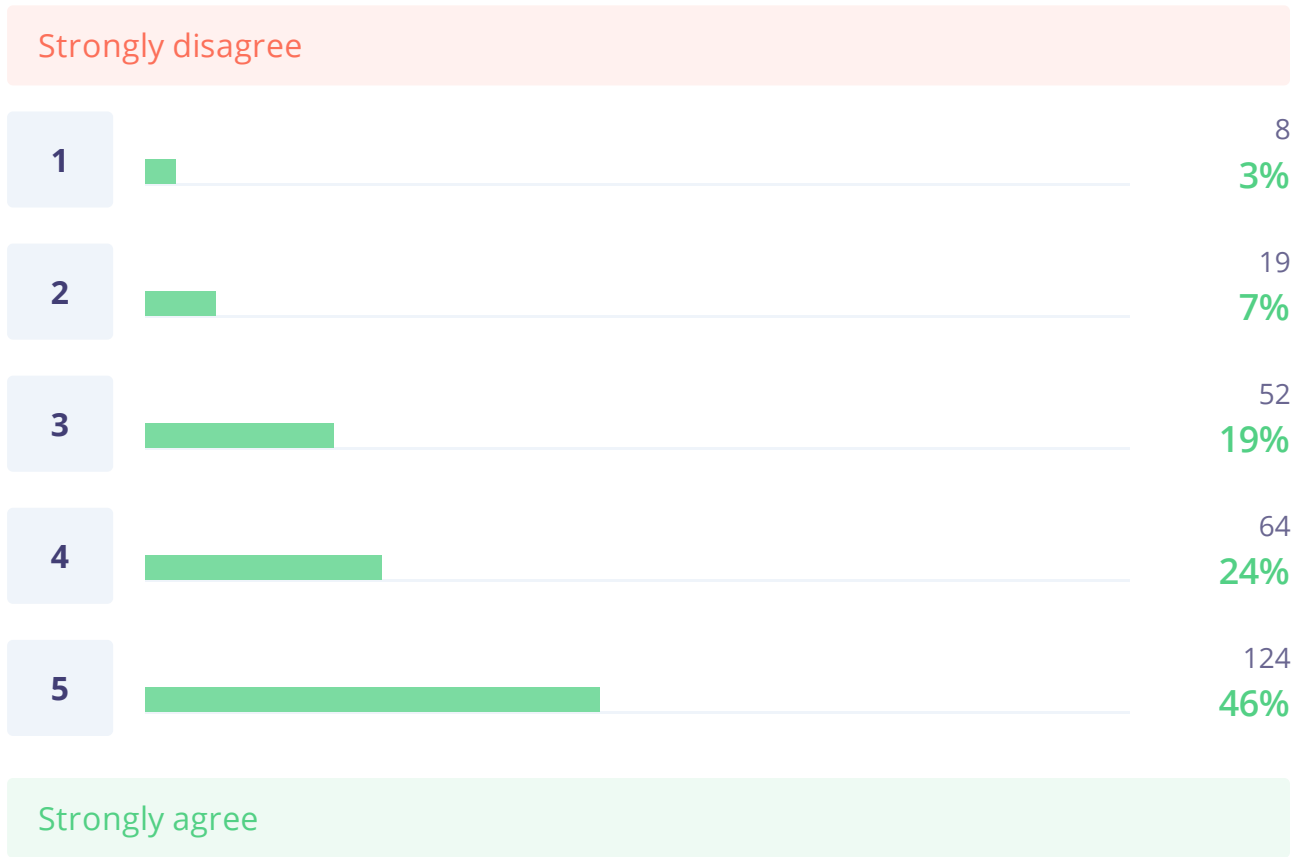

On the next few screens tell us to what extent you agree with these criteria.
