31/08/2023	Mount Avenue	<ul style="list-style-type: none"> <li>• Eyesore</li> <li>• Crime</li> <li>• Parking</li> </ul>	<p><i>Proceed</i></p> <ul style="list-style-type: none"> <li>• Dark green colour and size of hangar designed to blend in with parked cars</li> <li>• Crime issues noted in report</li> <li>• Parking is not considered a sufficient reason not to progress*</li> </ul>

\*Ealing Council understands there is parking pressure on these roads. However, the installation of bike hangars is in response to very high demand for safe cycle storage across the borough. The Council are following the principle that providing six residents with cycle parking is a greater resident benefit than retaining parking space for one car. The installation of bike hangars is in line with Ealing's commitment to zero carbon emissions and supporting residents to cycle.
