

## **6.2 Growth and sustainability**

### **Functions delegated to the assistant director of economic growth**

#### **Economic regeneration**

1. to submit bids for funding to Government departments and other organisations and bodies for projects and initiatives consistent with Council policies following consultation with the relevant Portfolio Holder and to enter into any agreements and arrangements necessary to secure such funding
2. to enter into such joint arrangements with other public or voluntary organisations as are necessary to secure funding from Government departments and other organisations and bodies for projects and initiatives consistent with Council policies following consultation with the relevant Portfolio Holder
3. to authorise the provision of funding by way of grants, loans, guarantees or other financial assistance to voluntary organisations, from within approved budgets or provided from third party sources, up to £10,000 to any one organisation per annum where
  - such funding is consistent with the Council's policies and strategies including the Council's community Strategy and
  - where the organisation meets the Council's Eligibility Criteria

provided that where funding is received from a third party the provision of funding by the Council complies with the terms and conditions on which the funds have been received by the Council and following consultation with the Portfolio Holder and nominated representative of the opposition parties
