

7 Housing and environment

Functions delegated to the strategic director of housing and environment.

1. Definitions

In this section the following definitions shall apply unless otherwise indicated:

Housing strategy means the housing strategy determined by the department for communities and local government, or successor department.

Housing investment programme means the housing investment programme determined by the Council

2. General

(a) To provide strategic management and direction for the services within the housing and environment directorate.

(b) To exercise the council's functions as housing, parking, waste, transport and highway authority in accordance with the housing strategy and other relevant policies and plans.

3. Housing policy/strategy

To exercise the council's functions in respect of the preparation and development of appropriate strategies and plans, including the housing investment programme.

4. Consultation

To undertake statutory consultations

5. To act as the proper officer of the council to perform the functions in relation to section 234 of the local government act 1972, in so far as they relate to the duties of the director in respect of housing, and other functions delegated to the director.
