NEW PAVEMENT		TREE	
SHARED USE PATH		GRASS VERGE	

This attachment outlines the proposed transport and highways improvements along Uxbridge Road between Ealing Hospital and Greenford Road, which include: a new pedestrian crossing across Uxbridge Road to Greenford Road and widen the current crossings at the junction, improved pedestrian and cyclist crossings at Windmill Lane junction, a wider path for bicycles and pedestrians on the north side along this section of Uxbridge Road, a new westbound bus lane from Ealing Hospital junction to the bus stop just after Greenford Road junction, a bus gate near Windmill Lane, improved pedestrian crossing near Halliday Square, a wider improved footway and bus stop area for pedestrians outside Ealing Hospital. Some of the parking spaces near Wharncliffe Drive will be changed to a bus stop.
