

Did you know?

Clothes and textiles

There are clothes banks located around the borough for recycling unwanted clothes and other textiles. Alternatively, take unwanted clothes to your local charity shop.

Batteries and small electrical items

Household batteries and small electrical items can be recycled in special recycling banks around the borough or taken to a re-use and recycling centre: **www.ealing.gov.uk/recycling**

Furniture, mattresses, fridges or other large items.

You can use our bulky collection service to dispose of large items.

For more information please visit:
www.ealing.gov.uk/bulkyitems

You can also take these items to a re-use and recycling centre
www.ealing.gov.uk/recycling

HOW TO USE YOUR COMMUNAL BINS

Making it easier
to recycle more

EALING COUNCIL

RECYCLING

Please only use the bin with the orange lid to dispose of items that can be recycled.

All your recyclable items can be mixed together in the bin.
Please make sure you put the right things in the right bin.

Empty and **rinse** all containers before putting them into the bin.

Remove film lids from plastic pots, tubs and trays and put them in the rubbish bin.

Do not use black sacks. However, you can keep your recycling in a plastic carrier bag and put the whole bag into the recycling bin

RUBBISH

Please only use the bin with the green lid to dispose of items that cannot be recycled.

The less put in here the less goes to landfill,
For more tips on how to recycle,
visit www.recyclemystuff.org.uk

Rubbish must be placed in black bags

YES PLEASE ✓	NO THANKS ✗
