Dear Sir/Madam,

**Examination of the Ealing Local Plan 2024-2039:
Ealing LPA's Response to Initial Questions, Part 1a, IQ4**

Further to my note, dated Friday 10th January 2025, I write in relation to IQ4 specifically regarding the Updated Interactive Policies Map and a related matter.

My apologies, I was misinformed. The updated layer in the Interactive Policies Map entitled "Suggested modifications post Reg 19" does already include a further suggested amendment to an existing site allocation boundary for 02GR (Greenford Broadway Car Park). This was highlighted in the Schedule of Suggested Modification {S24} at SMM84.

Again, for the avoidance of doubt, the layer therefore comprises amendments to the following site allocation boundaries:

- 02AC Acton Gardens
- 20EA Downhurst Residential Care Home
- 02GR Greenford Broadway Car Park
- 06GR Smiths Farm
- 04NO Northolt Driving Range
- 07NO Yeading Lane II
- 10NO Airways Estate

It also illustrates a separate suggestion to:

- Remove a SIL designation from part of the existing Greenford Quay development in North Greenford that extends south of the

Grand Union Canal which has already been developed by a residential led scheme.

As indicated previously, a Statement of Common Ground (including this suggested site boundary amendment) has now been concluded between the Council and Tesco, regarding 229 Greenford Road, Greenford, UB6 8QY. This is now attached.

I would be grateful for your guidance on how best to log this SoCG and (any future ones that do not relate to statutory bodies) in the Local Plan examination library.

If any further clarification or information is required, please don't hesitate to get in touch.

Yours sincerely

Steve Barton
