These are the aims of a School Street, which 3 are most important to you?

EVIS 1	Pleasant and calm atmosphere	76 57%
	Safer to walk and cycle	63 47%
	Reduce car use on school run	58 43%
	More families walk and cycle	47 35%
and the	Improve air quality	42 31%
	Reduce noise from traffic	30 22%

= Fact text

We expect to achieve all of those aims by introducing a School Street for this school.

Our experience shows that a School Street has many benefits for the school and local community, including improving road safety for families on the school journey, helping people use active modes of travel and making the environment around the school much better for everyone.

= Fact text

The following questions ask you to rate different aspects of the current situation regarding traffic in the local area. This will help us understand more about what is happening now for different groups of people, and improvements that could be made to support a safer school journey for the children.
