

# Seaford Triangle Improvements

## Drop-in session

**When? Thursday 24 July from 4-6pm**

**Where? At the Triangle, W13 9HS**

**Come and tell us how the Triangle green space in West Ealing can be improved**

We're looking at ideas to improve the planting on the Triangle at the junction of Leighton Road, Seaford Road and Northfield Avenue. Come along to view the three sketch options and tell us what sort of planting you'd like to see.

Would you like to see a wildlife friendly flowering meadow? Or maybe you'd prefer a formal planting scheme with low evergreens, flowers and ornamental grasses? Or should the Triangle be more of a traditional 'Village Green' that you can walk on with mown grass, seats and specimen trees?
