Bumps to Babies (0-14mths)

A welcoming and supportive space for parents, expectant parents to connect and share their journey with babies aged 0-14mths.

During this session, you will enjoy a relaxed environment where friendships can blossom and questions about your baby's development can be answered by friendly and qualified practitioners.

Music and Movement (Babies-5 years)

A fun, active, interactive and structured session for families to get involved together with singing, dancing, action rhymes and using instruments, as well as soft play activities. The session is carefully planned to help you support your children's co-ordination, concentration, communication and social skills, support their musical development and of course for their enjoyment! This session is on a first-come, first served basis due to health and safety.

Stay and Play (0-5 year olds)

We offer a diverse range of activities, including art materials, puzzles, educational games, sensory activities, role-play, and physical toys, all designed to help children learn and grow through play.

Every activity is carefully planned to align with the children's interests, ensuring they enjoy a rich variety of learning opportunities while developing social skills and making new friends. Each session concludes with reading a story and singing rhymes, making it a fun and inclusive experience.

We support parental involvement in children's learning and development through observation and joint discussions. We provide personal support and information in a relaxing environment where parents/carers can connect with other families.

Juma's Journeys

Travel the world with Juma the Lion to discover and experience music with our innovative and exciting multicultural music classes (0-5yrs)

Music is Magic!

Fun and Learn

Fun and Learn is a 5-week course for children under the age of 5 who would benefit from support with their social interaction and communication skills (including attention, communicating with words, signs, gestures, body language, interacting with others and understanding their daily routine.

Attendance of all 5 sessions is compulsory.

Please contact the Centre to make a referral.
