## April 2026

### Welcome to Windmill Children's Centre

At Windmill Children's Centre we offer services to support children and their families. Each activity is developed in partnership with families. All our activities are accessible and inclusive, and many are specifically for children with additional needs and those who are differently abled.

We are open 8.30am – 4.00pm and the timetable is updated monthly and available on the Ealing families directory.

[www.Ealingfamiliesdirectory.org.uk](http://www.Ealingfamiliesdirectory.org.uk)

We welcome questions by phone, e-mail or face to face. And can offer advice if you have concerns about any areas affecting your 0–5-year-old children.

We welcome breast feeding and offer private spaces for feeding on request.
