Please note that Havelock Children's Centre will be closed from 31st March – 10th April for the Easter break and will re-open on Monday 13th April.

Highlights

Food Distribution

The food distribution service is open every Wednesday at 4pm. Free food is available for anyone who would like to collect. Produce varies from week to week and is dependent upon what is delivered.

Stay and Play

Bring your child to our fun and friendly drop in play session where they can learn to explore and play alongside other children, developing their social and language skills, confidence and independence.

Stay and Play

Stay and Play is a wonderful group to support early childhood development while providing a safe and exciting environment for children to explore and learn. It offers a combination of free and planned play activities that help children develop a variety of skills, engage their imaginations, and interact with others.

Every Tuesday and Thursday
9.30-11.30am and 12.30-2.30pm

Term Time Only.

Child Health Clinic

Services include:

- Baby weighing
- Advice and support from Health Visitors about your child's health and development
- Information and referrals to specialist health services and professionals in Ealing, for example, Weaning group; Speech and Language; Occupational therapy; Breastfeeding

Healthy Start Vitamins

If you are pregnant or have a child under the age of four, you could get a Healthy Start Card for vitamins, milk, and vegetables.

For more information, please call
020 8813 8275

Baby Massage

Baby massage is a calming and nurturing activity aimed at deepening the connection between you and your baby. Every week, you'll discover new techniques for a full-body massage that encourages relaxation. This special bonding time not only aids in your baby's physical growth but also strengthens the emotional bond between you both
