

PayPoint locations in Ealing

Where to register your free 30-minute Stop and Shop+ parking session if you do not use a smartphone

This list shows the 184 shops across the borough where you can register a Stop and Shop+ parking session at the PayPoint counter. The shops are grouped by area, then listed in street order, so you can look for the road you are parked on.

Please check opening hours before you travel. PayPoint shops are independent businesses and their hours vary. This list was correct in September 2026; shops can join or leave the PayPoint network at any time.

How to register at a PayPoint shop

- Park in a Stop and Shop+ bay and note the location number shown on the parking sign.
- Go to the PayPoint counter in any shop on this list and ask to register an Ealing Council PayByPhone parking session.
- Give the location number and your vehicle registration. The first 30 minutes are free.

You can also register your session using the PayByPhone app or by calling the PayByPhone number shown on the parking sign.

Blue Badge holders

Blue Badge holders are exempt from the Stop and Shop+ requirements.

You can park in a Stop and Shop+ bay for as long as you wish, and you do not need to register for the initial free 30 minutes.

Please display your badge as normal.
