Bedford Park (Zone B)

The Bedford Park CPZ was introduced in 2003 and reviewed in 2007. A number of residents have contacted your Ward Councillors and Council officers, highlighting parking issues in your area. Subsequently, we have been asked to carry out a full review. We would like you to tell us how you feel the scheme is operating and to inform us of any specific parking issues you have in the area. We will use this information to make any changes that are necessary to ensure that the CPZ is suitable and responsive to the needs of residents and local businesses. This is a formal review of the scheme. The results and comments received during this consultation will be presented to your Ward Councillors for their consideration.

Montgomery Road

It has been brought to our attention, that owing to a number of highway projects and planned developments in the area, Montgomery Road residents are experiencing some parking difficulties. It has been suggested that at times, when the road is fully occupied, residents lack alternative locations to park. This is due to changes in parking restrictions on nearby roads and the fact that most surrounding roads, that may otherwise provide suitable locations to park, are within a different CPZ.

The closing date for this consultation is 27 April 2012

Please return your completed questionnaire using the envelope provided. Alternatively, complete a questionnaire online at www.ealing.gov.uk/consultations
Therefore it is proposed to offer residents of Montgomery Road, the opportunity to have the road moved from its existing place within the Bedford Park CPZ (Zone B) to the Acton Green CPZ (Zone M). This would then allow residents to park on Cunnington Street, among others. Please see the enclosed map, for the full extent of the zones. If you would like Montgomery Road to be relocated to Zone M, simply complete the relevant section within the questionnaire. Changes will only be proposed if the majority of Montgomery Road respondents are in favour.

Once you have filled in your questionnaire, please return it in the envelope provided, you will not need a stamp. Please return your questionnaire by 27 April 2012 so that we can consider your views. If you require more space to answer any of the questions, please feel free to use an extra sheet of paper and include it with your questionnaire.

If you require further information regarding this consultation, please contact us using the details listed within this document. Please complete this questionnaire. Your views are important.
