Dear Brendan

## **LONDON BOROUGH OF EALING: PROPERTY STRATEGY DOCUMENT**

We write to confirm that following our review of the draft Property Strategy and further due diligence undertaken by both this practice and our colleagues at EC Harris, we have now fully considered and reflected upon the proposed strategy documents which we endorse as reflecting the intended strategic approach to asset management within the Borough.

We look forward to working with you upon the developing strategy over the coming years.

Yours sincerely

A handwritten signature in black ink, appearing to read 'MS', written over a light blue horizontal line.
