

School Travel Plan

Blair Peach Primary School

As part of Blair Peach Primary School Travel Plan, Ealing Council proposes to install some measures to aid the movement of school pupils, parents and general road users. The aim of the measures proposed is to create an area where parking is restricted to ensure visibility and safety outside the school is not compromised especially during school term.

The Council's proposal is parking restrictions on Beaconsfield Road and the provision of a zebra crossing at its junction with Cherry Avenue. The restrictions are in the form of single, double yellow lines and also 'school keep clear' as shown on the attached plan. Other measures proposed are to install 'school warning signs' on the approach to Blair Peach Primary School. These measures will create better visibility, improved traffic flow and on the whole improvement in safety around the school.

Details of the proposals can be seen on the attached consultation drawing. Your views are an important factor in the council's decision-making process and contribute towards the decision to proceed. Please read through the information provided and then complete and return the enclosed questionnaire – in the enclosed postage paid envelope. The closing date for the return of questionnaires is Friday 29 June 2012.

The closing date for this consultation is
29 June 2012

Please go online to www.ealing.gov.uk/consultations to complete the questionnaire for this scheme. If you would prefer, then complete the attached paper copy and return it using the envelope provided.
