A number of residents in Sunninghill Court have contacted us highlighting access issues to their court caused by obstructive parking close to the entrance and on both sides of the road leading to the court. Subsequently, we have been asked to consult residents on introducing double yellow lines on Strafford Road. We would like you to tell us your views about the proposal. We will use this information to make any changes that are necessary to the attached proposal that is suitable and responsive to the needs of residents and local businesses. The results of this consultation will be presented to your Southfield Ward Councillors for their consideration.

The proposal is:
• to install double yellow lines on the east side of Strafford Road between the existing waiting restrictions at entrance to South Acton Club and it junction with Bollo Bridge Road

The overall benefit will be improved safety for residents and other road users. The waiting restrictions will deter waiting by vehicles along this stretch of Strafford Road and improve access.

Details of the proposal can be seen on the attached consultation drawing. Your views are an important factor in the council's decision-making process and contribute towards the decision to proceed.

Please complete this questionnaire. Your views are important.

The closing date for this consultation is 12 October 2012
