Delamere Road

A number of residents in Delamere Road have contacted us highlighting obstructive parking on the sharp bend. Subsequently, we have been asked to consult residents on introducing double yellow lines on the bend and its junction with St Paul’s Close to improve visibility and the safety of other road users including vulnerable groups and emergency services. We would like you to tell us your views about the proposal. We will use this information to make any changes that are necessary to the attached proposals that is suitable and responsive to the needs of residents. The results of this consultation will be presented to your Ealing Common Ward Councillors for their consideration.

The proposals are:
- to introduce double yellow lines ‘No waiting at any time’ on the inside kerb of the bend between the southern wall of 24 Elm Crescent to the boundary wall of 115/117 Delamere Road.
- To introduce double yellow lines at the junction of Delamere Road and St Paul’s Close.

The overall benefit will be improved safety for residents and other road users. The waiting restrictions will deter waiting by vehicles along this stretch of Delamere Road and improve access and visibility.

Details of the proposals can be seen on the attached consultation drawing. Your views are an important factor in the council’s decision-making process and contribute towards the decision to proceed.

The closing date for this consultation is 12 October 2012.
