Public Consultation

Ealing Highways Improvements

East Churchfield Road Area

Ealing Council has carried out feasibility studies and secured funding to deliver transport improvements to several locations in the area surrounding East Churchfield Road. The proposals detailed in this document have been developed to improve safety for all road users.

The closing date for this consultation is
21 December 2012
Existing Issues
Issues within this study area that have been identified include:
• Rat-running and high vehicle speeds on Perryn Road and Shaa Road
• A lack of safe crossing points near Acton Park, Maples Nursery and Acton Central Station
• Existing speed cushions on East Churchfield Road may push cyclists away from their desired travel direction
• Poor pedestrian facilities approaching the zebra crossing near East Acton Primary School

The Proposals
The proposals below will address the above issues by implementing the following:
• Extend the existing 20mph zone on East Churchfield Road to include the southern section of Perryn Road and all of Shaa Road
• Install cycle-friendly “sinusoidal” road humps throughout Shaa Road
• Replace the existing speed cushions on East Churchfield Road with cycle-friendly “sinusoidal” road humps
• Construct a new zebra crossing on a raised speed table at the junction with Perryn Road
• Construct a raised entry treatment on Shaa Road at its junction with East Acton Lane and provide tactile paving for vulnerable pedestrians

Your Views
The Council would like to know your views in order to implement the right scheme for businesses, organisations and residents. Please look at the plans and make your views known to us.

Summary
Ealing Council are seeking your comments on our plans to improve your area. You can do this by completing it online at: www.ealing.gov.uk/consultations.

Subject to funding and support for the scheme, it is proposed to be delivered during 2013

What Happens Next
Once the consultation is complete and your views analysed, the results will be considered by the London Borough of Ealing. Updates will be provided at future Ward Forums.
