Dear Steve

Re: Proposal for an Ealing Town Centre Neighbourhood Development Plan

The following comments represent the views of officers in Transport for London (TfL) Property Team in its capacity as a significant landowner only and does not form part of the TfL corporate response. This representation should not be taken to represent an indication of any subsequent Mayoral decision in relation to the emerging policy document. Our colleagues in Borough Planning may provide a separate response regarding TfL wide operational and land use planning/transport policy issues.

The boundary designation includes TfL operational land at Ealing Broadway station and therefore as a land owner TfL Property would be keen to engage in the development of the Neighbourhood Plan.

Therefore, should you have any queries then please do not hesitate to give me a call on 020 7126 4574.

Yours sincerely

James Forrest
