Mr Eric Leach,

West Ealing Centre Neighbourhood Forum/West Ealing Neighbours

:

Matter 4.2 Other sites.

1. Our concerns are about the centre of West Ealing. West Ealing Neighbours (WEN) was formed in 2005. West Ealing Centre Neighbourhood Forum (WECNF) has operated as an Interim body since May 2012 and became designated by local government in March 2013.

2. EAL 16
59-119 The Broadway
 - a) A large site – 3.4 acres. Development started on 16 May 2013 for a new hotel at 67 – 75 The Broadway. Is this the beginning of piecemeal development on the site? Development is proposed for 2021 – 2026. Just how does all this fit together?

 - b) The recently failed Blockbuster building on this site is to be a Morrison's supermarket. This will give us three Morrison's within a single mile along the Uxbridge Road (W13/W5). To what extent does this constitute planned 'development' one wonders
