Dear Ms Caldwell

**Re: Local Development Framework: Policies Map  
Representor No. PM6/Matter 5**

I refer to our telephone conversation of 16 May 2013 and write further to representations made on behalf of my client, CBRE Lionbrook Property Fund, of 22 August 2012 in respect of the Policies Map Development Plan Document.

I have reviewed the Council's Response to my client's representations as contained in the "Summary of representations" and in EPM7b – Policies Map Consultation Statement (part B) (Feb 2013) as published in the Examination Library of the Council's website.

I have also reviewed EPM5 – Policies Map Booklet (Consolidated Incorporating Further Alterations) with Minor Changes (Feb 2013) as published in the Examination Library of the Council's website.

Please accept this letter as further representations on behalf of my client pursuant to Rep PM6 (3) and Rep PM6 (4) to amend Table 3 – Public Open Space in EPM5 as follows:

- i) "Ref No. 148 Horsenden Hill West" should be revised to "Ref No. 148 Horsenden Hill West & Paradise Fields".
- ii) The stated size of site 148 is incorrect and needs correcting.

Both of these proposed amendments are in accordance with the Council's Response as detailed in the above stated documents.

Please acknowledge receipt of this letter and these further representations.
