Notes

The general sessions will include an overview of the plan but not representations about other sites put forward by representors.

*The area specific sessions will include a general overview of the site allocations for the area, representations about the soundness or otherwise of specific allocations and representations about other sites that have been put forward.

Please note that the timetable is subject to change. Every effort will be made to keep to the days and times given above, but late changes may be unavoidable. Priority will be given to starting the debate on each matter at the appointed time, and it may be necessary to extend the discussion in the afternoon session. The Programme Officer will inform the participants of any late changes to the timetable, but it is the responsibility of the participants to keep themselves up to date with the arrangements and programme.

A list of people attending each session will be provided as a separate document.

If you have any queries about this timetable or anything else in relation to the examination, please do not hesitate to contact the Programme Officer.
