Atlas Road

Introduction
As a part of Ealing Council’s corridor improvement programme funded by Transport for London, proposals have been developed to improve the safety, operation and efficiency of the junction of Atlas Road with Victoria Road.

Please complete this questionnaire. Your views are important.

The closing date for this consultation is 25 October 2013
Please return your completed questionnaire using the envelope provided.
You can also complete this consultation online at www.ealing.gov.uk/consultations
Background
This consultation refers to the signalised junction of Atlas Road with Victoria Road, A4000. Discussions with ward councillors and feasibility investigations have been carried out to identify cost effective solutions to improve the junction.

Existing issues
Issues at this junction have been identified and include:

- Congestion caused by Signalised junction;
- Wide road and staggered pedestrian island crossing points;
- High speeds due to large junction;
- Narrow footway widths caused by pedestrian guardrail; and
- Uneven footway condition and street furniture clutter.

Proposals
The proposals include;

- New kerbed roundabout to improve flow and reduce speed of vehicles;
- Kerb build out's to narrow road widths and the crossing distance for pedestrians;
- Zebra crossings on each arm to aid pedestrians crossing along desire lines;
- Junction tightened and reduced in size to reduce the speed of vehicles;
- Convert two lane entry to single lane approaches to roundabout;
- Improved priority and safety for cyclists by reducing size of junction;
- Guardrail to be removed to utilise full width of footways;
- New street lighting to improve lighting levels at junction;

The benefits
- Improved pedestrian and traffic safety;
- Reduced traffic speed and congestion; and
- Improved footway condition and aesthetics of area.

Your views
The council would like to know your views in order to implement the right scheme at this junction. Please examine the plan attached and make your views known to us by filling in the enclosed questionnaire by 25 October 2013.

What happens next
The responses to the questionnaire enclosed will be analysed and reported to ward members of your area. Taking into account the views of residents and businesses as expressed in this consultation, a decision will then be taken regarding implementation of the scheme.
Atlas Road Proposed roundabout Consultation Questionnaire

Please fill in this questionnaire and return it in the prepaid envelope provided by 25 October 2013.

Name: ____________________________________________

Address: __________________________________________

1. Are you responding as a… (please select one answer only)
   ○ Resident       ○ Business       ○ Both
