Public Consultation
School Safety Scheme

Khalsa Primary School

Introduction
This consultation is seeking your views on proposed Highways improvements on Norwood Green Road. The proposal aims to improve road safety by providing a new zebra crossing to access the school, installing new school warning and flashing signs on the approaches to the school, and providing general highway improvements.

Existing issues
Existing issues identified in the school travel plan for Khalsa Primary School include:
• No formal crossing for children and parents using the school
• Norwood Green Road is heavily trafficked and drivers are not sufficiently aware that they are in the vicinity of a school
• No footway on the south side of the road for children and parents to wait before crossing the road.

Proposals
The proposal involves improving road safety and accessibility in the area. To do this we will:-
• Provide a zebra crossing on the raised table
• Remove existing speed cushion and install a raised table to further reduce traffic speed
• Build-out kerb to provide waiting area for children and parents before crossing
• Install guard railing to improve safety of the crossing
• Relocate lamp column.

Benefits of the proposal
• Improved safety and accessibility for children and parents
• Improved crossing facilities
• Improved safety for children travelling to and from school
• Maintaining a vehicle free entrance to the school
• Reduced traffic speeds
• Improved visibility to drivers that they are entering a school zone.

School warning and flashing signs are deemed critical and will be implemented prior to receiving the results of this consultation.

Your views
The council would like to know your views in order to ensure that the proposed measures are appropriate. Please read this document carefully, look at the plans overleaf and go online to www.ealing.gov.uk/consultations to complete the questionnaire for this scheme. If you prefer, please return the questionnaire in the enclosed ‘prepaid’ envelope to reach us by 15 November 2013.

What happens next
New school warning and flashing signs will be installed as soon as possible.

The responses to the questionnaire enclosed will be analysed and reported to your ward councillors. Taking into account the views of the residents and businesses expressed in this consultation, a decision will be taken regarding implementation of the rest of the scheme.

If you have any queries please contact
Highway Services on 020 8825 7676 or HighwayServices@ealing.gov.uk
Please fill in this questionnaire and return it in the prepaid envelope provided by 15 November 2013.

Name: 

Address: 

1. Are you responding as a… (please select one answer only)
   ○ Resident  ○ Business/School  ○ Both  ○ Parent

2. Are you in favour of the scheme?
   ○ Yes  ○ No

3. Do you think the proposed scheme will improve the safety of all road users around the school?
   ○ Yes  ○ No

4. Please provide any further comments in the box below.

Thank you for filling in this questionnaire.
Please return your questionnaire in the prepaid envelope provided to: Highways Management, Ealing Council, 1st Floor Perceval House, 14/16 Uxbridge Road, Ealing W5 2HL.

We need your comments by 15 November 2013.

Thank you for your help
