Dear Mr. Smith,

Application for Central Acton to be designated as a Neighbourhood Area and Central Acton Neighbours' Forum to be approved as the body to prepare the Neighbourhood Plan

As the chair of the interim Central Acton Neighbours' Forum I am writing to apply for the designation of Central Acton as a 'Neighbourhood Area' as provided for by the 2011 Localism Act.

Regulation 5 of Part 2 of the Neighbourhood Planning (General) Regulations 2012 requires that our application for the designation of a 'Neighbourhood Area' include:

- i. a map and its details which identifies the boundaries to which the area application relates; this is attached at Schedule A;
- ii. a statement explaining why this area is considered appropriate to be designated as a Neighbourhood Area; this is attached at Schedule B;
- iii. a statement that the organisation or body making the area application is a relevant body for the purposes of section 61G of the 1990 Ac; this is attached at Schedule C.

Regulation 8 of Part 3 of the Neighbourhood Planning (General) Regulations 2012 requires that our application to be considered as a Neighbourhood Forum must include:

- i. our name. This will be Central Acton Neighbours' Forum. Where appropriate this will be abbreviated to CANForum;
- ii. a Constitution. This is attached at Schedule D and is signed by more than 21 founding members;

iii. the name of the area to which the application pertains. This will be 'Greater Central Acton'.

iv. the contact details of at least one member of the proposed forum. This is as follows:
Sanya Sheikh, chair@canforum.org

I trust this application meets with all requirements. Should you need further information please contact me or our liaison, Tony Burton, directly.

Yours sincerely,

Sanya Sheikh

Chair, interim Central Acton Neighbours' Forum
